Civic Leaders Urge Yes Vote

Special To The Daly City Record

Daly City voters will go to the polls June 4 to help decide the fate of a $35,000,000 bond issue designed to eliminate the inadequacies of San Mateo County's highway system.

Passage of the measure, which has been endorsed by business, labor, industry and civic leaders, will insure construction of several vital projects in the North County area totaling $10,485,000. They include:

Alemany Boulevard — Construction of a four-lane overpass on Alemany in Daly City to eliminate intersections at Lake Merced Boulevard and Park Plaza Drive at a cost, including matching funds, of $2,810,000.

Sullivan Avenue — Extension of Sullivan Avenue from Eastmoor Avenue to Southgate Avenue. Cost, $440,000.

Southgate Avenue — Construction of a four-lane street to connect Southgate Avenue with the relocation of Chinese Cemetery Road. Cost, $230,000.

Hillside Boulevard — Extension of Hillside Boulevard in South San Francisco 2.2 miles from Market Street to Holly Street, incorporating recent improvements on Hillside. Cost, $1,265,000.

Canal Street — Construction of a four-lane divided street from Mission Road to San Bruno Road with a grade separation at the Southern Pacific tracks. Cost, $2,330,000.

Hickey Boulevard — Extension of Hickey 1.3 miles from Skyline Boulevard to Junipero Serra Boulevard. Cost, $1,620,000.

Sharp Park Road — Construction of a four-lane divided street from Skyline Boulevard to Skyline Parkway. Cost, $305,000.

Skyline Parkway — Construction of a 2.3 mile thoroughfare from Sharp Park Road to Fassler Avenue, Pacifica. Cost, $1,485,000.

These projects are among 28 to be constructed throughout the county. Included are grade separations at 12 hazardous Southern Pacific crossings from South San Francisco to Menlo Park.

Future of County

Supporters of the measure say it will determine the face of San Mateo County in the year 1990—a mere 27 years away. By then, the county's population, now more than 500,000, will total more than 900,000.

Daly City Mayor Joseph Verducci, president of the San Mateo County Council of Mayors which unanimously endorsed the program, noted that it represents the first unified effort by the cities and the county to tackle the growing traffic problem.

"Traffic," he said, "is no longer a problem that can be solved by each city using its own resources. We are tied together by a state freeway system that makes San Mateo County a truly metropolitan area.

"The City-County Highway Plan is a carefully conceived program resting on the best consultation and information available. The 28 proposed projects will strengthen the weakest link in the chain which holds us together—our lateral roads.

"What we now have between our state highways and our city streets is chaos and congestion.'"

The county's road system is already inadequate. If it is not improved, say traffic engineers, industry vitally needed to strengthen the county's tax base will be reluctant to locate here.

Arterial Routes

Mayor Urges Yes Vote on Road Bonds

Mayor Joseph Verducci today urged all registered Daly City voters to "go to the polls with me next Tuesday, June 4, and vote 'yes' on roads."

"You're not going to unsnarl the traffic jams on Alemany Blvd. by sitting home on election day," he warned.

The $35,000,000 bond issue designed to finance the 28 improvement and new construction projects included in the county-wide master plan's first stage needs a two-thirds majority for passage.

Verducci pointed out that tax-conscious citizens should be aware that the bond issue will cost the average property owner a maximum of 44 cents a month, with no increase coming until 1964-65..

"If the bond issue fails, these projects will have to be tackled separately, and at far greater expense to the taxpayer."

Of special importance to Daly City residents is the planned construction of a four-lane elevated Alemany Blvd. from Lake Merced Blvd. to Park Plaza Dr. and the extensions of Sullivan Ave. from Eastmoor Ave. to Southgate Ave., and Southgate from Cerro Dr. to Junipero Serra Blvd. Total cost of the projects will be $2,380,000.

Verducci pointed out the following facts from engineering, traffic and economic studies conducted by top consulting firms for the county: by 1990, San Mateo County population will have increased from 500,000 to 900,000 and daily trips from 367,000 to 939,000; current annual expenditures of less than $2,000,000 by city and county agencies for local street improvement is grossly inadequate to meet even current critical arterial highway needs..

"Your vote June 4th will be the most important one you cast in the next 30 years," Verducci said. "I urge every Daly City citizen to go to the polls and approve these bonds."

Public Protest Against Unity

The first rumblings of public protest against the North County school unity plan, took shape in an organized public meeting Monday night at Abraham Lincoln School in Daly City.

The group, headed by Robert Crawford of Colma and Richard Newton of 732 Higate, Daly City, is in favor of a unified district, but feels that a better plan should be presented to benefit the community.

The group is called the Daly City-Colma Unification Committee.

The committee spokesman said they feel the county committee which voted 10-4 May 16 on a plan to unify five north county school districts into one district, failed to adequately consult the local districts before making its decision.

They said that unifying with Laguna Salada would mean a tax increase for Daly City citizens, since Laguna Salada taxpayers do not pay as high rates for elementary education as in Daly City.

Jeff Elementary

The Jefferson Elementary district supports the unification of its district with itself or with Brisbane or Bayshore.

Due to the peculiar shape of the districts of Daly City and Pacifica, the board feels that the combined districts should not take in over 25,000 pupils. The Jeff Elementary and High School districts now have a total of some 12,500 students.

Union High School District

Jefferson Union High School trustees voted "yes" on the county committee's proposal, but at the same time said they are opposed to the splintering of their district.

Bayshore

Bayshore Elementary district voted no, and asked for more time, at least three years, to continue studies on school district organization.

Brisbane

Brisbane trustees voted no on the county's plan and said they would go in with Jefferson, Bayshore and Brisbane, or Brisbane, Bayshore and South San Francisco and San Bruno.

They indicated they would prefer unifying with Jefferson, Bayshore and Brisbane.

A public hearing before the county's final vote on unity will be held June 19.

Pacificans Take Part in Pickup Of Astronaut

Charles H. Sherer, airman, USN, son of Mrs. Lucille E. Sherer of 683 Lockhaven Dr., Pacifica, was aboard the aircraft carrier USS Kearsarge when astronaut Leroy Gordon Cooper, Jr., splashed into the Pacific ocean last Thursday afternoon.

Serving aboard the Kearsarge afforded Sherer the opportunity of being an actual participant in the recovery operation. Helicopters, scuba-divers and boat crews from the carrier were instrumental in the actual recovery.

Thousands of other Navy men, in 28 ships deployed across the oceans of the world, stood ready to make the recovery if the situation would have required it.

Serving aboard the destroyer USS Collett was Carlos D. Goodwin, fireman, USN, son of Mr. and Mrs. Leroy J. Goodwin of Pacifica.

The Kearsarge has now recovered two astronauts, having recovered Walter Shirra last October.

Merced Heights Plans Consumer Education Talk

Consumer Education will be the topic of the meeting of the Merced Heights Neighborhood Association Monday, June 3, at 8 p. m. at Jose Ortega School, 400 Sargent. Mrs. Virginia Nelson, assistant secretary and office manager of the San Francisco Better Business Bureau, will speak on the work of the Better Business Bureau, and how it serves the consumer as well as the business community. She will also show the film titled, "Better Business Story."

Various educational materials will be distributed at the time of the meeting. Pamphlets from Sears Consumer Education series, "Hidden Values," telling what to look for when buying household and personal items will be available. Materials from the statewide Consumer Council in Sacramento will also be distributed.

In addition to regular committee reports, the nominating committee will present a slate for those offices whose terms of office are up. According to the by-laws, these are recording and corresponding secretaries, treasurer, and sergeant at arms. Two members to serve on the executive committee will also be appointed

TRAFFIC PLANS — A bird's eye view of the itnersection of Alemany boulevard and Lake Merced boulevard in Daly City, one of the major projects of the city-county highway plan up for voter approval June 4. An elevated roadway will lift Alemany boulevard up and over Lake Merced boulevard and Park Plaza drive in Daly City. A grade separation was deemed necessary to relieve traffic congestion, expected to swell from the persent 16,800 cars per day to 23,900 cars daily by 1990. The plan will maintain circulation around the Westlake Shopping Center.

Six Nabbed In Big Bookie Raid

Six men were arrested on bookmaking charges in a coordinated raid in Daly City, South San Francisco and Colma about 11 a.m. Friday.

Suspected ringleader was Charles M. O'Neil of Mill Valley, who was nabbed in an apartment at 170 Third avenue, Daly City.

O'Neill was arrested at the record center for the operation. Raymond Neilsen, of 2644 Meta Drive, San Jose was taken in an apartment in Daly City where he was taking phone bets. Richard Andrews was taken making phone bets in a Daly City apartment. Charles Tibbats, 785 Skyline drive, Daly City, was arrestedd as a phone "'book" at 512 "A" street, Colma.

Salvatore Pietro, 355 Green street, San Francisco, was arrested as a phone "Book" at a trailer in a trailer court just outside South San Francisco. Eugene Findlay, 148-28th street, San Francisco, was arrested in company with O'Neill.

Each of the phone books was taking in excess of $5,000 per day, and they were all connected as one organization. Total intake was in excess of $20,000 per day.

Each was booked with $25,000 bail on the state charges. Tibbats is presently undergoing prosecution for bookmaking in San Mateo County. Findlay is currently on probation for a bookmaking conviction in San Mateo County.

Daly City's investigation started when officer John Coleman reported what appeared to be a bookmaking operation in apartments on Third Street April 26. Daly City detectives started to work and found that Federal agents were operating on another angle of this case. They also found that the District Attorney's office was investigating a bookmaking operation.

All the agencies got together and layed out areas each would investigate. In the last stage of the investigation, Tibbats moved his operations to Colma. About 20 policemen took part in the raids, took bets over the phone and confiscated bookmaking equipment.

S.S.F. Senior Wins Journalism Award

Rodger Magill, a senior at South San Francisco High School, has won one of the two $500 Edward J. Nell Memorial Scholarships in journalism by the Quill and Scroll Foundation. A scholarship was awarded to one boy and one girl in national competition.

Rodger became eligible for the scholarship when he was chosen as a national winner in the feature writing division of the National Quill and Scroll writing contest. He was required to send a brief outline of his activities in journalism and his future plans.

He was recommended by Principal Louis Bagnell and Albert Southard, newspaper advisor.

The scholarship will be equally divided over a two-year period. It is valid for any college offering a major in journalism.

"With this scholarship, I plan to attend the University of California at Berkeley to major in journalism," explained Rodger. "Upon graduation from college, I would like to be a science writer."

"This is an honor for both Rodger and his school," commented Southard. "We are all very proud of his accomplishments."

Council Notes

The Daly City Council Monday night took action on the following:

Approved plans for a 50 x 140 foot pre-fabricated building for two garages to house street department and water department vehicles. The buildings are to be 50 x 140 feet and 32 by 75 feet in dimension.

Supported passage of the San Mateo County College site bill, up for passage in Sacramento.

Approved a permit for City of Hope solicitation..

Reported that of 19 property owners in the Los Banos-Knowles avenue right of way, four property owners have not reached an agreement as to price of land with the city. Legal action will be taken by the city attorney.

Promised a street survey on a request for one-way street because of traffic congestion on Fairway drive.

Approved business licenses for Scoutourist Publishing Co., Art's Installation Service, Burgess British Cars, Grace's Place (rsetaurant), Westlake TV Service and Reno's' Carpentry.

Approved final subdivision map no. 4-B for Southern Hills Development in Daly City with Standard Building Company.

ZIP Code Mail Service in DC

The ZIP Code Program designed to speed up mail service has been expanded to Daly City and Colma, Postmaster Vincent P. Murphy announced today.

The code, a refinement of the zone system formerly used in addresses, constitutes a five digit code which identifies each delivery office and enables a more expeditious dispatch of mails to the patron, Murphy stated.

Areas West of Junipero Serra Boulevard including the City of Colma, Westlake, Broadmoor, St. Francis Heights and all areas delivered by rural truck will use 94015; areas East of Junipero Serra, including Sterling Park, Callan Heights, Theresa Terrace, Crocker Tract and the rest of Daly City will use 94014. Boxes in use at Main Office will use 94016.

Postmaster Murphy further requested all patrons to place the proper number following the city and state in the address as:

John Zip
369 Dennis Street
Daly City, California - 94016

Every parton of the Daly City post office will shortly be furnished a ZIP code number of his delivery unit.

Protest Against Drive-in Movie

A protest against noisy conditions at the Mission Drive-In in Daly City, was lodged Monday night at the Daly City council meeting.

Mrs. Charles Stanley, 89 Mar Vista drive, said the noise from the theater awakens the children. She said unused speakers are not turned off and the theater stays open until 1:30 a.m. on weekdays and until 3:30 a.m. on weekends. Also protesting was Mrs. R. Martel of 79 Mar Vista.

Rescued by Son From Ocean

Donald Johnson, 26, of 1160 Crespi drive, Pacifica, dived overboard and battled the swift running tide 20 miles off the Golden Gate bridge Sunday to save the life of his father, Robert M. Johnson, 53, owner of a San Francisco plumbing and heating business.

This fishing boat incident was one of three runs in which the Coast Guard was involved in the rescue of nine persons.

The Johnsons, with three other fishermen, were aboard a chartered vessel about 2 p.m. when the elder Johnson hooked a fish, lost his balance and fell into the choppy waters.

Apparently stunned by the fall, he was unable to get to a life preserver which was pitched to him.

Construction To Begin on Post Office

Construction is expected to begin June 1 on Daly City's newest and biggest post office building, according to regional director R. R. Germain.

Germain said the building, a 25,000 square foot structure, will be ready for occupancy by the first of the year.

A contract has been awarded to Robert and Jane Erving, 777 First street, San Jose, to build and lease the building to the post office department.

The present owner will construct the new building on the west side of Sullivan avenue, from 88th to 89th street.

The new post office in Daly City will be constructed on a site containing 67,500 square feet, and is expected to be completed in approximately eight months after the plans are approved. It will have an interior space of 23,670 square feet, with an area of 39,160 square feet for parking and movement of postal vehicles.

Some postal space will be realized in the present building for the benefit of patrons in that area.

MISS DC FINALISTS — The judges selected the following lovelies Friday at Miss Daly City preliminaries at Coronado Apartments in Westlake (from left) Judi Homan, Gloria Morrissey, Sharon Schroder, Karen Schroeter and Claudia Smith. Road Bond Vote June 4

(Continued from Page 1)

County Highway Plan provides," said Paul B. Bacon, past president of the Peninsula Manufacturers Association, "our new state freeways will fail to solve our congestion problems.

San Mateo County is in grave danger of becoming a 'has been' area for industrial development."

He is seconded by Supervisor James V. Fitzgerald of San Bruno, chairman of the Greater Highways Committee.

"San Mateo County," Fitzgerald said, "is in serious danger of losing its enviable position as one of the most prosperous and desirable places to live in the Bay Area. There is no question that the mobility of the Peninsula will be greatly hampered, if not stymied, without the improvements called for in the road program.

"The first and vital step toward solving this problem is the passage of the $35,000,000 bond issue June 4. From a financial standpoint, this is an opportunity that may never come our way again."

Yes Vote Needed

Failure to pass the bond issue and the resultant increase in traffic congestion on already overloaded roads would have these predictable results:

Slower movement of traffic.

Increased use of residential streets for through traffic.

Local tax boosts to cover costs of increased traffic control.

Loss of taxes from industry refusing to locate in the county.

A decrease in roadside business.

An increase in insurance rates as more cars drive greater distances on substandard roads.

A study by the San Mateo County Development Association in 1957 found that shortcomings of the road system were the number one deterrent to industry locating in San Mateo County.

The present road plan and bond issue, highway experts say, represents the best solution to the problem.

Pay As You Go

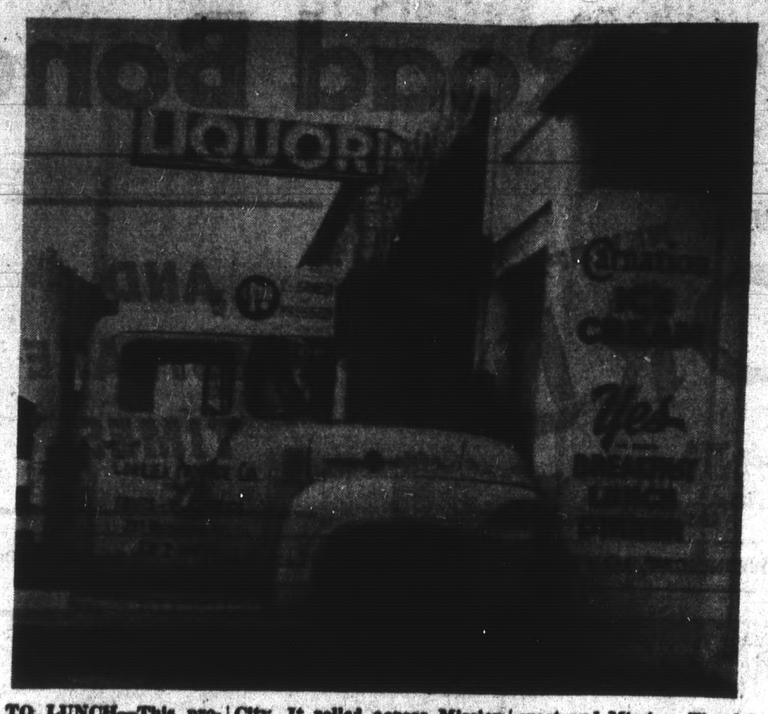
Its passage will insure matching funds totaling nearly $9,000,000 from the state, the Public Utilities Commission and the Southern Pacific Company. This, plus county gas tax revenues to be used on a "pay as you go" basis, will provide more than $49,000,000 for highway improvement.

Cost of the project to the taxpayer is considered minimal. For the owner of an $18,400 home it runs less than one cent a day over the 20-year life of the bonds. When the tax rate schedule reaches its peak in 1969-70, the cost will be $5.30 a year, less than 1½ cents a day.

Benefits would not be limited to the regular users of the individual projects, proponents of the bond issue explain. The road improvements, tying together city streets and state highways, will benefit all motorists.

They will speed north-south traffic by reducing congestion near freeway ramps (an aid to the commuter) and help speed the homemaker to market by untying traffic snarls on city streets.

Among the organizations backing the plan are the San Mateo County Council of Mayors, the Peninsula Manufacturing Association, the Governmental Research Council of San Mateo County, the San Mateo County Development Association, the Town Hall Association, the Central Labor Council of San Mateo County, the Building and Construction Trades Council, the County Board of Supervisors, plus city councils, planning commissions and chambers of commerce throughout the county.



OUT TO LUNCH—This produce truck got a little hungry around noontime last Thursday on Mission street in Daly City. It rolled across Mission street, across a divider strip, jumped a curb and bumped into Cooper's Kitchen, at Hillcrest and Mission. The driver, John R.. Reihsen Gets Ford Grant

Gerald J. Reihsen of Colma has been selected to receive graduate training under a Ford Foundation grant administered by the National Institute of Public Affairs.

Reihsen, 28, is Regional Hydraulics Engineer with the U. S. Department of Commerce, Bureau of Public Roads in San Francisco.

He is one of 42 career Federal employees whose selections were announced today by Charles B. Stauffacher, Chairman of the Institute.

The grants are for a year of graduate study at selected universities. Participating universities are Stanford, Harvard, Princeton, Virginia and Chicago.

The 42 winners were selected from 127 finalists after nearly all major Federal departments and agencies had nominated several hundred candidates.

Reihsen, residing at 1032 Gilman Drive, Colma, is married and has three children. A native of Farmington, Minnesota, he received a Bachelors Degree in Civil Engineering at the University of Minnesota and a Masters Degree in Hydraulics Engineering from Stanford University.

He has been employed by the Bureau of Public Roads since June 1958 and is a graduate of the Bureau's 3-year Highway Engineer Training Program. He has been in the San Francisco Office since June 1961.

Junior Statesmen Travel To Annual Convention

Santa Barbara was the destination of three Westmoor High School Junior Statesmen as they joined more than 300 other Junior Statesmen for the 50th semi-annual convention of the California Junior Statesmen of America.

Lynn Jones, Jack Petranker and Chuck Suenderman traveled to the Southland as Westmoor's first delegates to a JSA state convention, held on May 17, 18 and 19.

The convention opened on Friday night with a speech by Greil Marcus, the outgoing governor of the Junior state. Also held Friday night were nominations for state offices.

Saturday was given over to legislation, when bills pertaining to the organization and resolutions on which delegates took a stand on national and international issues were discussed. The only resolution passed by the assembly condemned the House Un-American Activities Commitee.

The Statesmen defeated three other resolutions, including one which would have put the JSA behind a movement to require members of the John Birch Society to register with the justice department and another one which would have supported government aid to Cuban refugees fighting Castro.

Also discussed were bills pertaining to the Junior Statesman organization, such as a bill requiring JSA to set up a committee to investigate the possibilities of a Junior Statesman radio program.

by the total membership at this meeting.

The Merced Heights Nighborhood Association is the vigorous organization of Negroes and Caucasians working together to keep their part of town an attractive integrated neighborhood. This is the area between Junipero Serra and Orizaba, and Holloway and Brotherhood Way in southwestern San Francisco. In their effort to maintain a balance of races the group has been seeking the cooperation of the real estate industry, asking that as homes become available for sale they be shown to all races alike, rather than as in the past to nonwhites only.

The meeting is open to the general public.

Daly City Man In Cliff Fall

A Daly City man was in satisfactory condition at Marin General Hospital after falling nearly 150 feet down a Point Reyes cliff.

Kenneth Gammon, 31, of 199 Santa Cruz avenue, an amateur falconer, fell while inching his way down an oceanside cliff in search of young hawks to train. He fell to the rocky beach after dangling for nearly ten minutes by a rope he had tied to his wrist.

A companion, Ed Ng of San Francisco, ran a mile to a nearby ranch house to summon aidd.

RAPID FIRE

In the engine of an eight-sylinder car traveling at 50 miles an hour, 136 spark plug firings take place every second.

Proclamation

BE IT PROCLAIMED:

WHEREAS, throughout the nation, unlawful entry and burglary causes much loss of property and personal valuables and frequently results in bodily harm to victimized citizens, and

WHEREAS, police agencies and private citizens, particularly homeowners, can cooperate in utilizing many preventive measures to discourage and diminish the crime of burglary, and

WHEREAS, the Peace Officers' Association of the State of California has declared BURGLARY PREVENTION WEEK to be the period of June 2 through June 8, 1963,

NOW, THEREFORE, I, Joseph J. Verducci, mayor of the City of Daly City, do hereby proclaim this same period to be BURGLARY PREVENTION WEEK

and ask all citizens of Daly City to join in utilization of all preventive measures that would tend to discourage and diminish the crime of unlawful entry and burglary and to take cognizance of the fact that it is up to the individual to combat the problem mainly through becoming aware of the program of crime prevention.

IN WITNESS WHEREOF, I have hereunto set my hand, and have caused the seal of the City of Daly City to be affixed this 24th day of May, 1963.

JOSEPH J. VERDUCCI,
Mayor of Daly City.

Bayshore Citizens Committee Meeting

Bayshore City Citizens Committee will meet June 3, 7:30 p.m. at Lawson Hall in 127 Acacia. Thomas Bocci, Jr., attorney, will bring the taxpayers and voters up to date on the legal maneuvers of the Brisbane-Bayshore litigations. Daly City officials are expected to be present.

99 Years of Fire Service

The Daly City Veteran Firemen's Association held a farewell dinner May 11 in honor of four volunteer firemen who are retiring from service.

A combined total of 99 years of fire service will leave with them.

At the dinner the following men were honored with the presence of Mayor Joe Verducci, city council members Ed Dennis, Joe Pacelli, Mike DeBernardi, Bob St. Clair and the city manager, Ed Frank.

Mayor Verducci rewarded their loyalty, devotion to duty and their many sacrifices for the citizens of Daly City with a certificate.

As a parting gift from the fire department, Chief J. E. Kennedy gave to each his badge which had been engraved and made into a belt buckle.

Best wishes were given to Fred Mather, 29 years service; Les Volkman, 27 years service; Joe Kusber, 27 years service, and Eghio Misini, 16 years service.

"MEMOS" FROM YOUR Stylist

By MR. ROBERT

As more than a few women my have noticed, hair characteristics are by no means stable. Younger women who have hair problems in their teens, sometimes find in maturity that their hair is more manageable and responds more quickly to proper care. Then again, women who for years enjoyed the blessing of easy-to-care-for hair, will discover to their dismay that their hair somewhere along the line has been losing qualities of easy manageability.

The change can be better understood if we realize that hair is a living thing, reacting to growth, nerves, emotion and personal health.

Also, ladies, hair reacts nicely to careful and skilled attention at MR. ROBERT'S SALON OF BEAUTY. Tinting, a permanent or high styling—whatever your desire — you can count on efficient, skilled and interested attention at MR. ROBERT'S SALON OF BEAUTY, 198 School St., Phone WY 2-1717.

TV and RADIO

By Mona Baker

Going going, gone! Beginning next Tuesday (June 4) and continuing right through to Saturday, stay right by your TV set. On the air will be community channel KQED's annual auction—a project which Manager James Day refers to as "born in hope and nourished in faith."

This is the ninth year for Channel Nine's annual fund raising event and it promises to be the best ever. Last year the auction contributed 20 per cent of the half-million dollar budget, and viewers had an opportunity to pick up some real bargains.

Since early March a community-side corps of volunteers have been out collecting merchandise throughout the Bay Area. Locally the drive has been headed by Mrs. Charles M. Bray, 4 Juan Bautista Circle. She met last Friday with members of the advertising committee of the Westlake Merchants Association to wrap up final details of their participation in the auction.

They have dreamed up a most clever participation in the auction. They have a "mystery box" in which will be placed valuable gifts in addition to $500 in gift certificates. Bidding will start at $500 and continue for every day of the auction. Merchants meeting with Mrs. Bray included chairman Don Davis from Penneys, committee members Mr. Feltinton from Bloom's, Mr. Garcia from King Norman's, Mrs. Nacca from The Fashion, Mr. Axen from Woolworths and Mr. Strauss from Westlake TV.

Do plan to tune in and phone in your bids. You'll be helping to support a most worthy community project — KQED whose fine programs the whole family can enjoy—as well as obtain some wonderful bargains.

THIS WEEK'S BEST BETS: Over KPIX, June 1 (2:30 p.m.) "Bay Area 63" reports on Treasures of Versailles.

"Return From Darkness" relates life of blind woman on "Bell and Howell Close-Up," June 4, ABC, KGO-TV, 10:30 p.m.

Plans Move Ahead on SSF's Big Clean-Up

Plans for South San Francisco's second annual Clean Up - Paint Up - Fix Up - Plant Up Campaign May 20 to June 2 are moving ahead according to Nick Manuel, chairman of "Operation Shipshape."

"We already have the enthusiastic support of fifteen organizations in the community who will work on various projects," Manuel stated. "I do want to emphasize at this time the importance of individual participation. The campaign will be effective only if we have the full cooperation of the individual homeowner."

Among the projects that individuals can do, said Manuel, are the following:

1. Cleaning all rubbish from back and front yards.
2. Cleaning parking strips of grass and weeds.
3. Planting new grass on bare spots.
4. Trimming hedges.
5. Painting exterior of homes.
6. Clearing vacant lots of rubbish and planting them with flowers.
7. Planting trees and shrubs.
8. Cleaning out all rubbish, old papers, etc. from basements and garages.

The chairman of the campaign stressed the importance of cleaning out weeds and grass in the sidewalk and parking strip areas. "This is one of our biggest problems and eyesores," Manuel asserted. Residents are urged to take before and after photographs of their projects to be sent to campaign headquarters 144 Dundee Drive. These photos will be used as part of the city's entry in the national contest.

Manuel also reminded everybody in the community that the city passed an Anti-Litter ordinance last year which carries a fine of up to $500 or six months in jail for all violators.

"If all our people get in there and work," Manuel concluded, "then South San Francisco stands a good chance of winning national acclaim again this year."

The San Joaquin Valley accounts for about 40 per cent of the State's agricultural production.

Westmoor High Repairs Are 'Shocking'

Jefferson Union High School trustees were warned to prepare for a "financial shock" on costs of repairing Westmoor High School's defective hot water heating system.

Superintendent Edward Morgan said corrective work would run over $4,000, the limit at which work must be put out to bid.

Trustees decided to shorten Westmoor's summer school by five days so that the corrective work can be done in August. Westmoor's schedule will now be June 19 to AuAgust 2.

Emergency measures, bypassing defective lines, have now cut Westmoor's lines, have now cut Westmoor's water loss from 11,000 to 2,400 gallons per 24 hours, trustees were told. The major leak has been located in the north end of the cafeteria.

Architect Paul Reiter said test borings made of the soil under the school indicate that there is no likelihood of the school being undermined by the escaping water.

A resolution passed by the trustees declared the condition an emergency, authorizing repairs under a special section of the education code.

Trustees also urged continuing action by the district attorney's office to ascertain liability for the defects.

Jefferson trustees Monday night refused to endorse the city-county road bond issue as requested by Daly City Mayor Joseph Verducci. Trustees simply passed a resolution urging citizens to vote on the issue.

FAIR'S PREMIUM SCHEDULES OUT TODAY . . . Arthur Leong (left), partner in Ah Sam commercial florist company in San Mateo, receives one of the first 1963 San Mateo County Fair and Floral Fiesta Premium Schedules from Fair Manager William M. Wilson. Some 1500 Fiesta exhibitors, both professional and amateur, are receiving their schedules this week, Wilson said. Included in the schedule are a substantial number of increases in award money, especially in the Amateur Division.

Roy L. Davis Serves On Attack Carrier

Roy L. Davis, Jr., seamon, USN, son of Mr. and Mrs. Roy Davis, Sr., of 630 Commercial street, South San Francisco, is serving aboard the attack aircraft carrier USS Coral Sea on a goodwill cruise to Australia and recently participated in the 21st annual celebration held in Sydney to commemorate the Battle of the Coral Sea.

The Allied victory in the famed Coral Sea battle is credited with stopping the Japanese advance in the Pacific in World War II and is an annual celebration in Australia.

The Coral Sea, a 63,000-ton carrier, is the largest combatant ship ever to visit Australia. While en route from Hawaii, her crewmen conducted the Navy's traditional initiation ceremonies for those who were cross the equator for the frist time.

Following her Australia visit, the Coral Sea joined the Seventh Fleet in the Western Pacific, with ports in Japan, Guam, the Philippines and China on her visiting schedule.

Letters to The Editor

Editor, The Times:

In answer to last week's article "Doctor Wants Best Emergency Service," I feel it is most unfortunate that there is so much jealousy and back biting in the medical profession that a doctor is discriminated against before he even starts practicing in our community.

I do not know the doctor who plans to open an emergency hospital to serve us until Mary's Help Hospital opens. But I see no reason to judge him nor expect him to give inadequate service or to charge prohibitive prices any more than the former emergency hospital did. What hospitals are nearby that will handle emergency cases as stated in this column last week? If a doctor is willing to invest his time and money to staff and equip a hospital and his shoulders are broad enough to put up with the stings of his weaker colleagues and the embroidered stories of suehappy people to give us an uncomparable community service —then I say "God bless him."

Sincerely,
(Mrs.) Alice Alexander

LIEUT. ERIC. POLIAK

Eric Poliak Is Commissioned Lieut.

Eric Poliak of Daly City has been commissioned a second lieutenant in the United States Air Force upon graduation from Officer Training School at Lackland Air Force Base in Texas.

Lieutenant Poliak was selected for the training course through competitive examinations with other college graduates. He is being reassigned to Holloman AFB, New Mexico, as an electronics engineering officer.

The lieutenant, son of Mrs. Ella Poliak, 225 St. Francis boulevard, Daly City, is a graduate of Abraham Lincoln High School in San Francisco and has a B.S., degree from the University of California at Berkeley.

Lieutenant Poliak's wife, Janet, is the daughter of Mr. and Mrs. Herbert G. Trent of 3170 Crestmoor drive, San Bruno. His father, George Poliak, resides at 110-45 Queens boulevard, Forest Hills, N. Y.

WAS CHEAP, TOO

Back in the depression days of the 1930's they had a popular song that advised people to fall in love because potatoes, tomatoes, and a number of other items were cheaper.

They might as well have added gasoline. The average cost per gallon in the United States in 1931 was just 17 cents, including taxes. That's the cheapest gasoline has been in more than 40 years.

Pack 248 Dance Is Successful

The parents of Cub Scout Pack 248 demonstrated their terpsichorean ability at the Spring Dance held at the Westlake Clubhouse, Saturday, May 18, 1963. The success of the dance was due in no small measure to Wanda Souza and her committee, proceeds of which go to support Pack 248 in its projects.

At the May Pack meeting, Dr. Sanford Marcus announced the final plans for the father-son campout to be held at Hubbard Park on June 1 and 2.. The Pack said goodbye to Raymond Graf, Chuck Traverse and Robbie O'Neill who graduated and are now in the Boy Scout program. Awards for the month were:

California Farms Play Vital Role

California's number one population status hasn't crowded out its number one status in agriculture and apparently isn't about to do so.

For the agriculture industry in the 156,700 square mile state invests more money per job, pumps more wealth into the state's economy, and plays more of a vital role in the life of every Californian than any other industry.

This may surprise most people, Safeway Stores, Incorporated, reported today, because too few urban dwellers understand the important role played by agriculture in California's over-all economy as well as in the daily life of every resident.

Safeway today launched a "Salute to California Agriculture" which will spotlight major commodities, as well as the economic contributions of California agriculture. The food chain is doing this via large-space advertisements in Northern California newspapers.

Not only do our State's growers produce over 200 commercial crops but they grow more than 43 per cent of our country's vegetables, and 42 per cent of our entire fruit and nut crop. With less than 3 per cent of the nation's farms, California supplies over 25 per cent of the nation's table food.

Directly or indirectly, farming provides 40 per cent of the jobs and 70 per cent of the cash transactions in California.

In the 40's, the average family spent 40 per cent of its income for food. Now they spend only 20 per cent, and they're getting a wider variety of higher quality foods.

Keith Schrock New Civil Defense Officer

Fire Captain Keith Schrock has been assigned by Daly City manager Ed Frank and Chief Elmer Kennedy to take charge of the operational aspects of Daly City's expanding Civil Defense program.

Keith, who will assume his new post as Civil Defense operations officer, will continue to carry out his fire fighting duties as a company captain and will be responsible for seeing that the several Civil Defense activities planned for the next year are successfully carried out.

The city manager's office will maintain its administrative activities in Civil Defense but the job of "getting it done" will rest largely on the able shoulders of Schrock. He will be working with all departments from time to time and the public's cooperation will greatly ease the difficult responsibility.

Because of its many and widely separated hills, the water supply system of San Francisco is one of the most complex of any large city in the world.

FIRST RODEO

The country's first formally organized rodeo was held in 1888 at Prescott, Ariz.

In the 1860's, the town of Sonoma was the center of vinicultural enterprise for the entire state.

Mr. and Mrs. San Mateo County Taxpayer:

YOUR VOTE ON JUNE 4th

May Be The Most Important Ballot

You Cast In The Next 30 Years!

"The City-County Highway Bond Issue is one of the most important questions to come before the electorate in many years. I am happy to give my complete support to it. I urge all citizens to vote with me on June 4 in favor of this measure."

Assemblyman Leo J. Ryan
27th District

SAN MATEO COUNTY INDUSTRY PROVIDES 100,000 jobs which return an annual payroll of $575,000,000

SAN MATEO COUNTY WITH ITS EXPANDING INDUSTRIAL ECONOMY HAS ACHIEVED THE LOWEST TAX RATE OF ANY MAJOR COUNTY IN CALIFORNIA. INDUSTRY HAS BEEN PAYING A SUBSTANTIAL PART OF YOUR TAX BILL!

Now, this tax producing industry is being strangled!
Workers cannot reach their places of employment safely and in reasonable time.

Approval of the $35,000,000 bond issue to finance the City-County Highway Plan is absolutely essential if San Mateo County is to survive as an industrial business community.

Leaders of Labor, Government and Industry Urge Your Support of This VITAL MEASURE

YOUR APPROVAL JUNE 4th of the $35,000,000 HIGHWAY BOND ISSUE WILL BRING YOU $49,192,000 IN BENEFITS

Your "Yes" vote will make available for improving San Mateo County's Highway System these funds:

Bond monies	$35,000,000
County gas tax funds to be used on a "pay-as-you-go" basis from existing revenues	5,204,000
Matching monies from:	
State Public Utilities Commission	
Southern Pacific Company	
State Division of Highways, etc.	8,988,000
TOTAL	$49,192,000

The projects to be completed under the City-County Highway Plan for San Mateo County will provide convenient access to State Freeways and will serve major intercity and intracity traffic movements.

The City-County Highway Plan is a carefully conceived program based on existing and anticipated traffic needs in San Mateo County.

It was developed from a study by George S. Nolte Consulting Engineers, Stanford Research Institute, D. Jackson Faustman and Stone & Youngberg.

This important engineering study marks the first time that the Cities and the County have acted in unison to solve their multiple road and traffic problems.

FINANCING PROGRAM

$35,000,000 general obligation bonds (amortized over a 20-year period.)

Up to $1,000,000 a year—a total of $4,600,000 for the first seven years—to be applied to interest and principal requirements from county sales tax and interest on unexpended balance derived from bond sales.

Property tax revenues will be used to meet remainder of interest and principal requirements, under the following schedule:

There will be no increase in tax rate in first year	(1963-64)
Only 1.8c will be required in the second year	(1964-65)
4.5c	third year (1965-66)
7.5c	fourth year (1966-67)
9.8c	fifth year (1967-68)
11.3c	sixth year (1968-69)
11.5c	seventh year (1969-70)

Tax rates will be gradually reduced thereafter.

This means that the cost to the average home owner will not exceed 44 cents a month (10 cents a week) which will be more than offset by savings in automobile operating expense.

"San Mateo County is in serious danger of losing its enviable position as one of the most prosperous and desirable places to live in the Bay Area. There is no question that the mobility of the Peninsula will be greatly hampered, if not stymied, without the improvements called for in the road program.

"The first and vital step toward solving this problem is the passage of the $35,000,000 bond issue in June. From a financial standpoint, this is an opportunity that may never come our way again."

Supervisor James V. Fitzgerald, chairman
Greater Highways Committee

"Adequate roads are our most important asset. This program will give San Mateo County the lateral connections that are so badly needed. We can't be saddled with roads that were here when the county was established."

W. H. Diederichsen, Business Mgr., International Brotherhood of Electrical Workers Local No. 617; Vice President, S.M. Central Labor Council

WHAT THE CITY-COUNTY HIGHWAY PLAN MEANS TO YOU

Approval of the $35,000,000 bond issue will make available an additional $14,192,000 from county gas tax revenues and matching monies from the State and the Southern Pacific Company.

The $49,192,000 total will finance 28 projects throughout the county, including grade separations at 12 hazardous Southern Pacific crossings from Menlo Park to South San Frnacisco.

The projects are:

ALEMANY BOULEARD—Construction of a four-lane overpass on Alemany in Daly City to eliminate intersections at Lake Merced Boulevard and Park Plaza Drive.

SULLIAN AVENUE—Sullivan Avenue will be extended from Eastmor Avenue to Southgate Avenue.

SOUTHGATE AVENUE—A four-lane undivided street will be constructed to connect Southgate Avenue with the reclocation of Chinese Cemetery Road.

HILLSIDE BOULEVARD—Hillside Boulevard in South San Francisco will be extended 2.2 miles from Market Street to Holly Street. The four-lane thoroughfare will incorporate recent improvements on Hillside.

CANAL STREET*—A four-lane divided street will be constructed from Mission Road to San Bruno Road. A grade seperation will be constructed at the SPRR tracks.

HICKEY BOULEVARD—Hickey Boulevard will be extended from Skyline .o Junipero Serra Boulevard. It will be a four-lane street.

SHARP PARK ROAD—A four-lane divided street will be constructed from Skyline Boulevard to the Skyline Parkway.

SKYLINE PARKWAY—A two-lane thoroughfare will be constructed from Sharp Park Road to Fassler Avenue.

SNEATH LANE—Sneath Lane will be widened from two to four lanes from El Camino Real to Skyline Boulevard.

"Without adequate arterial highway routes ,which the City-County Highway Plan provides, our new state freeways will fail to solve our congestion problems. San Mateo County is in grave danger of becoming a 'has been' area for industrial development."

Paul B. Bacon, President
Coca-Cola Bottling Co. of San Mateo; past president, Peninsula Manufacturers Assn.

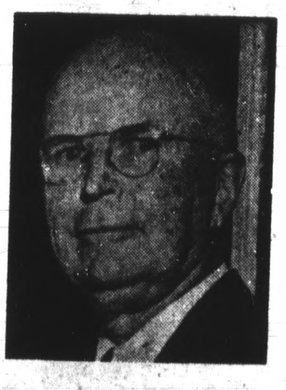
"Without good roads, San Mateo County cannot grow. A county without growth is one without expanding job opportunities and increasing payrolls. New state and federal freeways are scheduled but they won't do us any good unless we can provide the roads to get on and off of them."

Henry P. Schwab, President, Building and Construction Trades Council of San Mateo County; President, Teamsters 216

"The proposed program for city-county highways is thoroughly justified and warrants full support by the citizens of this county.

"The many fine public officials who have developed the concept of a coordinated city-county program deserve great credit."

William F. Morton, President Governmental Research Council; Past President, S.M. County Development Assn.



"San Mateo County's entire economy — its business climate, its industrial potential, its desirability as a place to live—is being threatened by traffic-clogged streets and highways. The City-County Highway Plan will correct our most serious deficiency and is an investment we can't afford to pass up."

Majestics Teen Club Wins Perpetual Award

The Majestics Junior High Teen Club are the first winners of the Springfest Perpetual Award. The Majestics, which meet at the Lincoln Park clubhouse, won the inter-club competition at last Saturday's first annual Junior High Teen Clubs Springfest, sponsored by the Daly City recreation department.

Held at the War Memorial Community Center, the dance featured KYA disc jockey Gene Nelson and was highlighted by the presentation of the Springfest Trophy to Joe Torrez, Majestics Club chairman, by Charles Vincent, director of recreation in Daly City.

More than 400 seventh and eighth grade teen club members enjoyed the festivities, which used "Dance Where Ya Wan'a" as a theme.

The top three places in each of the five contests that made up the inter-club competition were as follows:

Ticket Sales — (1) Majestics, (2) Roof Raisers, (3) Casualiers.

Decorations — (1) Westlake Swingers, (2) Majestics, (3) Casualiers.

King and Queen—(1) Westlake Swingers — Skip Kazas and Debbie Clark; (2) Roof Raisers — Mike Strauch and Linda Waller; (3) Telstars — Milo Wood and Judy Refjberg.

Talent

1—Casualiers—Alberta Ellis for her dance pantomime.

2—Majestics—Carmela Bantique for piano solo.

3—Westlake Swingers—Susan Walsh for her tap dance interpretation of tequila.

Twist

1 — Majestics — Hayward Fontenot and Linda Boston.

2—Roof Raisers — Gabby Whitney and Brent Brehl.

3—Telstars — Jackie Sharpe and Dave Finn.

Overall results found the following ranking of clubs:

1—Majestics; 2 — Westlake Swingers; 3 — Roof Raisers; 4—Casualiers; 5 — Telstars; 6—Imperials.

"Miss Daly City" — Susan Thorne — led a list of community personalities and leaders who gave of their time and talents to judge the various contests. Miss Thorne assisted with the judging of the King and Queen contest and also presented the winning couple with prizes.

Youth Band To Be Formed In Daly City

The formation of a Daly City Youth Band has been announced by Daly City Recreation Department and Westlake Music Center. There is no charge for enrollment, it is open to the youth of the city and will be under the direction of Mr. Howard Loeffler, Director of the Music Department, Westmoor High School.

The Youth Band will rehearse in the bandroom of the Westmoor High School beginning Tuesday June 18th, at which time auditions will start, or auditions will be heard at the Westlake Music Center.

Any youth who has received school or private instruction is elegible for the band, with no age limits. Applications will be taken at the Westlake Music Center, or by phoning PL 6-2434.

Parents are urged to encourage the youth of Daly City to joint this organization for education and recreation under adequate supervision and proper envioronment.

Art Studies in Gift Wrapping

Westmoor High art students have used gift wrapping to gain experience in an unusual form of abstract art.

Many of Mr. Robert Niessen"s students are delving into the medium of colored tissue paper. Collage like abstracts are the results of their efforts, which are of various colors, mounted on a white or colored background with the use of varninsh.

The project was used to teach the students to communicate ideas thorugh art using line, pattern, texture and color. Various effects such as those of a stained glass window, transparent plastic, and gossamer silk come alive according to technique.

Takes Oath at U Of San Francisco

Among the June 1963 teaching credential candidates taking part in the oath of allegiance ceremony at University of San Francisco, Tuesday evening, May 28, was Allen J. Downey, 134 Fairlawn avenue, Daly City, a former Episcopalian minister in Honolulu and Daly City, who will be teaching mathematics at Mountain View high school.

Jon Alexander on Leave from Navy

Jon Alexander, son of Mr. and Mrs. C. F. Alexander of 660 MacArthur drive, Colma, has just finished his basic training in the Navy at San Diego. He is home on leave for two weeks and is awaiting further orders.

Jon graduated from Riordan High School last year and attended San Mateo Junior College until he went into the Navy.

Final Events Planned for Y-Teen Clubs

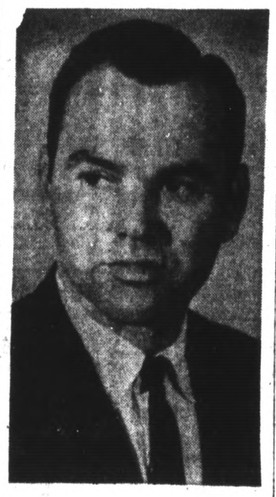
YWCA Y-teen clubs are finishing out their program year with the following events:

A slumber party at the YWCA in San Francisco is planned by the IFCA's of upper Colma.

The Millbrae Y-teens and the Ben Franklin Y-teens are planning a beach party in June in which the IFCA's will also participate.

Of particular interest is the intra-club planning that is progressing toward a possible baby sitting course for the girls. The planning group, consisting of Cathy Abrahamson from Ben Franklin, Bertie Ellis of the IFCA's, and Sue LaCour, junior advisor at Upper Colma, is working on a half day session in which the girls may participate. Emphasis will be given to safety and etiquette aspects of baby sitting. The girls are looking for summer baby-sitting jobs. It is hoped the girls will also be able to hostess a Mothers and Daughter tea following the baby-sitting discussion session.

Y-teen activities are an intricate part of YWCA programming where the primary concern is to enrich and broaden the lives of girls and women in their families and community.



NEW DEPARTMENT HEAD —Bob Jones, recently appointed manager of Children's Shoe World at Bloom's Fine Shoes in Westlake Shopping Center, is again serving our area in Westlake with his vast experience in fitting of children's shoes. He was formerly associated with the exclusive juvenile shoe store in San Francisco for a period of 12 years, the last two years as general manager. The past two years, Mr. Jones was factory representative in the Pacific Northwest for a children's shoe manufacturer and also acted as aide in the designing, developing and making of children's shoes during this time. Mr. Jones is now back with his wife and three children residing in the Bay Area. He will bring to Bloom's Children's department his wide knowledge of children's shoes and fitting necessities.

Senior Class Speaker Chosen

From among four competitors, Westmoor senior Jim Rutledge was recently chosen as senior class speaker for graduation night, June 14.

Annually, seniors are asked to participate in the competition for class speaker. The purpose of the speech is for one of the graduates to represent his fellow students by extending their appreciation to parents, teachers and friends for their education al opportunities. He conveys the anticipation that graduation brings and speaks of his classmates' future plans.

"Today the classroom, tomorrow the world" is the traditional theme for the speech. Jim developed his topic by comparing the uncertainty of choice to the problem of John Henry, founder of the Smithsonian IInstitute in Washington, D. C., who found it difficult to choose between a pair of square-toed and round-toed shoes and decided on one of each.

Although the graduates have acted with such uncertainty many times, now, on the threshold of life, they can no longer afford it. According to Jim, today the graduating seniors have faced the classroom: tomorrow the same students will challenge the world.

Orations were delivered by competitors Jim Rutledge, Steve Lerner, John Cummings and Jack Petranker to a panel of judges, four faculty members and four senior students.

Jim is a recent recipient of a Parent-Teacher Association scholarship. As he is sports editor of the school paper, he may often be found working late at the "Rampage" office.

Selected as alternate for class speaker is John Cummings. John served on the student executive board this year as judge.

Westmoor Auto Shop Averages Two Trophies

Two out of two is a good average anywhere, and that's exactly what Westmoor"s Auto Shop averaged—two trophies for two teams.

Last year they did not place, but this year the advanced team won 5th place and the beginning team 10th place in Chrysler Plymouth Division of Chrysler Corporation's "Trouble Shooters" contest. In this year's contest, which was held at the Dodge plant in San Leandro, Mr. George Chrestionson entered two teams, one in the advanced class and one in the beginner division. Advanced auto shop students Rich Corso and Dan Tracy garnered the 5th slot by adjusting hydraulic lifters,, correcting RPM and timing, working on the ignition system and fuel problems, and getting the car running smoothly before 44 other teams. The first team did this feat in slightly over 50 minutes.

The recipients of the trophy in the beginner division were junior John Hodgkiss and senior Rich Fields. Fields, incidentally, has just also received another award as Westmoor's Industrial Arts Man of the Year. Fields and Hodgkiss achieved a 10th place in competition against 55 other teams. They worked on cars also with igintion and fuel problems.

"I'm very proud of them, I think they did very well," stated Mr. Chrestionson, after the contest.

Westmoor Senior Wins Scholarship

Recent recipient of the California Savings and Loan Ken Lehre, Westmoor High League's $100 scholarship is School senior.

A National Merit Scholarship finalist, Ken gained further recognition in winning the Bank of America Achievement Award as well as the Chamber of Commerce Achievement Award in science and mathematics.

In addition, Ken's high grade point average of 3.9 secured from him the University of California "Honors at Entrance," which is given entering freshmen who have outstanding academic records.

Ken's high scholastic average has also enabled him to become a life member of the California Scholarship Federation.

Ken has shown his great interest in science, both as a junior member of the California Academy of Science and as president of the Westmoor High School Science Club.

His interest in chemistry won for him last year the American Chemistry Society Award, in recognition of his excellent grades and work in the field.

Washington, D. C., was incorporated on May 3, 1802.

Buick Sales Rising

Buick automobile sales in the San Francisco zone are running 26 per cent ahead of a year ago, reports R. P. Barbata zone manager.

During the first 10 days of May, San Francisco zone dealers delivered 453 cars to push sales of the 1963 models since Oct. 1 to 11,065. This compares to 8,775 sales for the same period last year.

Nationally, Buick deliveries from Oct. 1 to May 10 stand at 299,029 units, an increase of 22.4 per cent over a year ago.

What Every Woman Should Know About Her Automobile

By WENDY WHEELER

Auto-Torium Feminine Driving Consultant

There's a song that claims "the living is easy" in summertime . . . and so as not to make the composer a liar I have set out to get my car in shape for warm weather driving. Things can be far from "easy" if that all-important item, your automobile, is not functioning properly.

Some of you, no doubt, are surprised to hear that your car has to have a "tune-up" when the weather changes ... but, after all, you go in to see the dentist or the doctor every six months or so for a full check-up. Why shouldn't your car go to a doctor . . . that is, a mechanic . . . too?

Did you know, for instance, that your car's cooling system should be serviced before the warm weather really takes over? (Yes, I know that California weather is reputed to be warm all year around, but let's admit it, there are variations—and your car should be adjusted to these weather changes here as well as in the Mid-West.)

If you don't take the time to have your car's cooling system serviced, you could find yourself boiling over on an expressway and causing a dandy of a traffic jam! Your temper may be just as hot as your engine if that happens!

When you submit your car to the mechanic's "stethoscope," it is quite likely that he will discover other things that need fixing . . . like worn spark plugs or a faulty ignition system. I won't pretend to know exactly what these gadgets are or how they work, but I do know that if something's wrong with them, you're wasting gasoline. You will save money in the long run if you have them fixed. Enough money, in fact, to pay for the cost of a tune-up.

Mechanics call this check-up a tune-up, and they put the cars up on a grease rack (and it is definitely greasy!). While he's doing this, it's a good time to have your car's exhaust system checked for possible leaks. (These leaks can cause dangerous carbon monoxide fumes to escape into your car). Also, have him look at the exhaust manifold heat valve and free it up if necessary . . . whatever that means.

There is a whole list of things that should be checked, including the fan belt. That is that apparatus in the front of your car that goes around and around to run the fan that keeps your engine cool. If it breaks, then your engine will get overheated and you may be stranded somewhere. It takes only a minute or so to have this checked in a service station or a garage and it's well worth it to prevent a burned-out engine.

Other things to have checked before the warm weather are brakes, headlights, lubrication, fuel and oil filters, battery connections, choke, carburetor, tires, wheel alignment, steering gear (if you don't have power steering) and change to summer grade oil if your mechanic recommends it. Whoops! Almost forgot that you should drain and flush the radiator, too, to keep the motor cool on these hot days. . .

In other words, tell the serviceman what you want done in the way of a "tune-up" and he'll take over from there. All these technical terms may sound like Greek to us; but he knows what you're talking about even when you don't. Isn't that just like a man?

(Free copies of Wendy Wheeler's informative and entertaining booklet, "What Every Woman Should Know . . . About Her Car," may be obtained at any Auto-Torium store, or by writing to her in care of this newspaper.)

RENTED VEHICLES

More than a half million cars and trucks were in service as rented or leased vehicles in 1962, reports the National Automobile Club.

SSF Warriors Nip Westmoor

Golf Season Ends

No Defeats For Rams

The Ram golf team tied San Francisco champion Lincoln at the Lake Merced course, 13½ to 13½ to remain unbeaten over their 20 match season. Finishing with a 19-1-0 record, and receiving their only blemish from a team that they had beaten earlier in the season, the Rams should have little to fear in the approaching NPL championship tourney.

In their last NPL match, the Rams defeated Terra Noya by the ludicrous score of 20½-½.

Going into the tourney the Westmoor crew leads in league standings by two points over second place Oceana. Three points will be awarded to the winner of the NPL tourney, with two points going to the second finisher and a single mark going to third place. The finishing score for each team will be the total of the lowest four scores of the six men teams. Westmoor, needing only a third place finish to tie for the championship, is virtually assured of the NPL crown.

B. Franklin Wins First Track Meet

Last Thursday - Benjamin Franklin hosted the seventh and eighth grade track teams from Parkway School in South San Francisco. Both Benjamin Franklin teams were victorious in their initial meet. The seventh grade won by a score of 48-42; and the 8th grade won by an overwhelming 61-32..

In the eighth grade meet the first place finishers were: 300 yd. run—Reed Rosenberg (39.); 600 yd. run—Tom Torlakson (BF) 1:30.09; 50 yd. dash—Van Hocker, BF (6.3); 755 yd. dash—Mike Silvestri BF (9.1); 100 yd. dash—tie Tony Pinelli BF and Gagliani PS (11.4); 300 yd. relay —BF (35.6) Hocker, Rosenberg, Aronson, Silvestri; 600 yd. Relay —BF (1:12.9) Siriani, Brinkerhoff, Sullivan, Pinelli; Broad Jump—Siriani BF (16' 3¾"); High Jump—Gagliani (P)—DeBernardi, Mark tie, 5'—Gagliani took first on the least number of misses.

Benjamin Franklin hosts Colma School on Friday, May 31, the meet will start at approximately 4 p.m.

Registering Begins For Summer Camps

Summer is the time for a change of pace for boys and girls. The Outer City YMCA again offers its annual resident and day camp program for San Francisco and Daly City youngsters.

A resident camp will be held at the YMCA camp near La Honda in the Santa Cruz mountains. Both boys and girls, 9 to 14 years of age, are eligible for the July 27-August 3 period. The cost is $48. Boys 7 to 12 years of age can attend the second period, August 3 to August 9. The cost is $42.

NOW LOOK FELLA—it's just awful, the roughness and stuff. This ferocious action took place in the last El Camino home game. The backdrop is lovely, wall to wall South San Francisco.

PAL Giants Blank Lions

Don Shotts, ace hurler for the PAL Giants, went big game hunting this week and knocked off the Holy Angels Lions. Shotts put the first hole in the Lions' hide with a 2-0 shutout. Big Don K'ed 8, gave up 4 hits and walked 3 as a tight infield gave him a hand in the shutout. Gregory hit 2 for 2 for the Giants.

Mike Gugliemoni had a bad time on the mound for OLPH Golds against Misracks. It was one of those days when othing went right for Mike. Misracks won 21-8 but only collected 4 hits in the process. The Golds amassed 9 hits that they turnedd into 8 runs. If the Golds can settle down with some steady pitching, they will jump into the win column on the team's hitting.

Paul Glischinski put on a real one man show in the OLM Dons meeting with the PAL Redsox. Glischinski fanned 12 of the Sox batters and scored 3 runs as the Dons triumphed 5-2 over the Redsox. The coach of the Dons is the old St. Ignatius High School, St. Mary's College and USF star athlete Hack Grealish. Following in his footsteps is the star second sacker for the Dons, Marty Grealish.

Skyline Plaza Takes Top Spot In Junior Loop

Frank Rodriguez' BYA Skyline Plaza took over the top spot in the Junior League this week. Marcin Smith on the mound and Ron Smith behind the plate proved an excellent combination against the PAL Cubs. Ron Smith tagged 2 singles and a double to help out in the scoring department. Rodriguez and Gonzales showed great talent in performing the double play. Kirby was the big man for the Cubs with a homerun and a triple but the Plaza won out 8-4.

The big surprise came when the Plaza met the OLM Saints. With Jim Davis on the mound against them, the inspired Plaza fought out a tough ball game to a 9-8 win. Don Hackett and Ron Smith were the heroes for the Plaza with hits at the right time. Coach Rodriguez gave credit to all the players as they are showing what a group can do when they play as a team. In spite of Davis' excellent pitching, the Plaza would not be denied.

Joe Cardoza spoiled another one for Jim Davis with a line drive RBI in the 7th inning to put the PAL Tigers over the OLM Saints 2-1. Davis incidentally took the only 2 hits of Tiger pitcher Duane Morin.

Stanley took the mound for the Tigers in their meeting with the OLPH Falcons and came away winners in a close one, 3-1. Tom Patterson drove in 2 of the Tiger runs and stole 5 bases.

Lonnie Alfano, Terry Senn, and Joe Cardoza hammered out a 16-1 win over the OLM Gunners for the Tigers but came out of the game with nothing but praise for Gregg Planters. He has been described as the best infielder in the league by the Tigers.

OLPH and the PAL Cubs had a great pitchers' duel. Pucci of the Cubs faced Chelone of the Falcons. The Cubs came through with a run in the last inning to win 2-1.

Ron Minni collected a win as the Cubs faced the OLM Gunners. Alberti gave up 7 hits but the Cubs turned them into 11 runs. PAL Cubs 11, OLM Gunners 2.

South City Finishes Without NPL Loss

The South San Francisco Warriors finally met the Westmoor Rams for a full seven innings, and, in the last NPL game of the 1963 season, won, 5-4, to complete their undefeated season and to completely outdistance the rest of the league.

S. S. F. Shutout Nails Jeff; TN Topples Rams

Earning the 1963 North Peninsula League championship does things for a team: It relaxes, soothes, eliminates the tensions of every day baseball.

South San Francisco played errorless ball that was anything but soothing to Jefferson, who lost to the untaxed Warriors, 5-0.

In keeping their NPL record flawless at 9-0, the Brianmen were a game away from an undefeated season.

The Rams played an overwrought game, committing six errors and losing, 3-2, to the win-starved Tigers from Pacifica. The El Camino Colts, meanwhile, got into a violent mess with Oceana, but got things sorted out in time to win the brawl, 10-6.

With these exchanges, the Colts regained second place, after being knocked out of the runner-up sport last week by the then victorious Rams.

Jeff Jones, entrusted with the pitching responsibilities against the Indians, had little trouble achieving his first shutout of the season. Even Mike Gutierrez, who was eight for 11 in recent games, went hitless. Neil McNevin was South City' total offensive weapon as his bat, smouldering in recent contests, exploded to all corners.

The Warrior hitting ace rifled back to back home runs to left and right fieldd in the first and second innings. Each round-tripper scored a base runner on the paths. The two hits moved McNevin ahead of Westmoor's Bruce Hix in the batting race.

The El Camino-Oceana match was a rollicking affair, the lead shuffling back and forth as the pitchers mystified no one. Dave Westphal's two-run homer in the second put the Oceana nine on the scoreboard first. But El Camino retaliated with three runs in the third.

Undaunted, the Sharks

(Continued on Page 11)

The game was played in incredibly bad weather — the raw wind driving spectators to run to cars for blankets locked in trunks, clearly kept there for just such emergencies. This was hardly enough. They finally retreated to their cars, driving them across the walks, etc., to a service road that parallels the field.

It was a great afteroon for the national sport. But it was lousy baseball weather.

Miserable was the only word for the first inning. The wind wrought havoc with the ball, threatening to turn Le Grand Finale into a farce.

South San Francisco scored twice, after walks and stolen bases filled the bases. Crowe hit a blooper that stayed up long enough for three Rams to camp under it. But nobody touched the ball and, on what should have been the third out, in romped the first two Warrior runs.

Westmoor then proved that it wasn't their fault, scoring three times on one hit and four Warrior errors.

Well frozen, the South City lads stumbled into the dugout, crept from its better-than-nothing shelter and picked up two more runs behind a sharp single by Neil McNeNvin.

Again errors played a key role, as Warrior pitcher Olivera walked. Then, on two successive errors, wound up on third.

In the next act, the Warriors pushed across a single tally behind hits by Crowe and Pretarri, who managed to steal third before anyone noticed his trail of dust. In the fourth and fifth innings, the Warriors failed to get through the wind and fog to score.

The Rams failed to get past Olivera again until the bottom of the fifth when Krnich hit a lne drive single down the left field line to drive in Schmuck from third.

The Rams threatened again in the last inning. Hix led off with a sharp single and Williams was hit by a pitched ball to put men on first and second in short order, but Olivera cooly pitched his way out.

The Warriors, throughout the entire game, were the more poised, nd the more alert of the two teams — if those things mean anything in the weather that swept the Ram field.

The Warirors burned up the league, winning all ten of their contests without succumbing to the pressure of being Number One.

The Rams and Jefferson wound up tied for the third spot behind El Camino. Terra Nova and Oceana followed.

Rec League Upset

Cardinals Clawed By OLM Leopards

The OLM Leopards played the part of the cat that caught the canary this week. The bird that they clobbered was the PAL Cardinals. In a real tight ball game, the bats of Phillips, Roche, Hampton, Freeman, Coffey and Spieth made the difference. The Birds hit well but the flawless Leopard defense stopped them cold. OLM also clobbered the Bender Roofing Cats 8-0 in a 3 hit mound performance by Coffey. Coffey and Hampton helped out with 2 for 3 at the plate in the shutout.

Nick Centile killed the chances of the Leopards moving into 1st place by tossing a 2 hit ball game. Gentile of the PAL Braves k'ed 8 and gave up no walks in the 5-1 Brave win over the Leopards. Smokey Morton blasted 3 for 3, one a big double. Spieth and Antraccoli got the only 2 Leopard hits. Coffey pitched wall for OLM giving up no walks and 6 hits.

Keeping their hold on the top spot, the PAL Cardinals came back after their loss to OLM to trounce the PAL Indians 8-1. Steve Kirby struck out 9 for the Birds and only allowed 3 hits. Kirby clobbered a triple himself. Barry Gervertz, Ron Hackett contributed 2 hits each to the Bird cause. E. Moura hit 2 for 3 for the luckless Indians.

Garibaldi chucked a one hitter for the PAL Yankees against the PAL Braves. The Yanks came out on the long

Rock Kubowitz' PAL Dodgers breezed by the Bender Roofers 13-0 this week. Mike Dawdle gave up only 2 hits to the Roofers in his shutout and with the heavy Dodgers' bats (two thirds of the team are hitting 300 or better) made it look easy. Hedping out Kubowitz with the Dodgers is the former New York Yankee Lloyd Dicked. They may account for the Dodgers' hitting spree.

Relish Bakery held on to second place in the league with wins over Ben Franklin Press and the OLM Aces. Mario Sandoval put in his third winning appearance for the Bakers with a 3 hit ball game over the Press. Hitting stars for the Bakers were Joe Anibale, a single and a double. Russ Kerger, 2 singles, and Sandoval, a triple and a sacrifice fly. The Baker Boys 7, Ben Franklin 6 in a close one.

Sandoval gave up only 4 hits to the Aces. They managed to turn them into two runs. This, however, was not enough as Sandoval drove in 3 runs himself. Forcing only 13 batters in the last 4 innings, Sandoval kept the Aces from scoring via the big K.

The OLM Aces stook the measure of the Holy Angels Shamrocks 2-0 on the pitching of Steve Green. Steve Green put down 10 batters in 7 innings via the whiff. Green of the Shamrocks got the only hit but it was a triple.

Class B winners: Mrs. Fred Williams, 95-27-68; (tie) Mrs. John Preston, 97-26-71, Mrs. Charles Boerio, 102-31-71, Mrs. Edwin Ray, 99-27-72.

Class C winners: Mrs. John Raynolds, 107-34-73; Mrs. Henry Cayla, 106-32-74; Mrs. Al Sereni, 114-36-78.

Next week's play will be match versus par.

Warriors Beat TN; Take NPL Crown

The South San Franisco Warriors turned back Terra Nova, 4-1 Wednesday and won the first NPL baseball crown. The 1963 champions have won eight and lost none in NPL competition, and with the title clinched, have two games left in the season.

The proletariat fought their own wars, Westmoor strong-arming El Camino 8-4 while Jefferson ousted Oceana 8-5.

The Warriors ace hurler picked up his fifth straight win of the season as he scattered five hits, one a home run hit by Bill Zander, hit in the top of the sixth to put the Tigers only a run away. The Warirors remained true to form, however, coming up with two runs in the bottom of the same inning to put the game and the championship on ice.

Neil McNevin led the barrage again, batting .500 for the afternoon with two hits out of the Warrior total of six.

El Camino decided on a power struggle against Westmoor, and for 2½ innings it looked like the Colts would get away with it.

In the bottom of the third, with men on first and third and two outs, Bruce Hix came up and emptied the bases with a screaming line drive that put Hix on third. Pitcher Dave Williams then drove Hix in with a sharp single to center, and that was the end of the Colt's comfy three-run lead.

After the Colts came back with a run in the fifth the Rams unloaded again in the sixth, scoring five runs with the help of a Colt miscue. The win puts the Westmoorites back in second place—they had been pushed out by their forfeit loss to the Warriors last week.

Relief pitcher and clutch hitter Dave Williams, coming on for the last four innings, received the win.

Oceana returned to their error-plagued days in their tilt with the revamped and dangerous Jefferson nine, and in spite of jumping off to a 3-1 lead, came apart at the seams in the fifth inning. Jefferson, picking up five runs in the session, on four hits and two Shark errors, coasted to their fifth win of the NPL season.

Pitching his first NPL game, Don Fisicaro htrew for the opening four innings for his first win. At the plate, first sacker Bob Easley lashed a triple that drove in two runs for the big blow of the day.

With the Jeff win, the middle of the league was tied in all the necessary knots for Friday's unraveling.

It's SPARE TIME

at Westlake Bowl

George Balletto came within sixteen pins of joining Westlake's highly exclusive 700 Club as he shot games of 256-216-213 for a 684 total to lead the Westlake Classic last Wednesday.

Wednesday also produced two high series in the four game Classic Doubles as John Schmidt bowled a total of 897 on games on 253-175-246-223 while Fred Neubert's 871 series came from games of 276-189-193 and 213.

Zita Cussary and Larry Schultz were the high rollers in the Twilight Mixed Fives as Zita rolled 171 and 490 while Larry shot a big 244 game and 584 series.

In the Weslake Knolls League, Irwin Penn was back on the beam as he led the field with a 546 series on a high game of 193.

Wally Jones and Dave Vaughan were the week's leaders in the Ball & Chain Mixed Fives as they rolled 189-529 and 202-560, respectively.

Bobby Perry again led the Tuesday morning St. Emydius Mothers' Guild League high series with 177 and 457. The split converters were out in force as Connie Halsing as she took high game and converted the 2-3-5-10, Marilyn Kritz and Jane Perussina the 2-7, and Lorraine Youngman the 6-7-8.

Westlake bowlers are rolling on brand new lanes this week as the annual resurfacing has been completed. Over the long weekend, there will be plenty of opportunity for open play bowlers to "break in" the lanes.

Next Sunday marks the end of the qualifying round in the Gold Coast Classic. With the Westlake entries over the 1,000 mark, it now appears that about 1,200 bowlers will compete before the June 2 deadline.

Dick Birkett has found that being league secretary helps his bowling. As secretary of the new 815 Scratch League, Dick started off with a 591 series on a high game of 228.

Plans for the fifth annual Daly City Police Athletic League bowling tournament will be announced at the first meeting, June 4, according to co-chairmen Pat Garcia and Al Stagnaro and the association's president, Rich Brewed. The tournament will open with a gigantic squad, including a dance and buffet on June 22.

Jerry Nelson took first place in the Monday afternoon ladies 3-69-9 singles, and took home the $8 prize. Rose Jachetta won $5.75 for second, and Anita Del Campo took $3.75 for third.

A brand new weekly feature will start at Westlake on Wednesday, June 5, at 7 p. m. when the "3-6-9 Mixer" will get underway. Open to men and women, automatic strikes will be given in the third, sixth and ninth frames of each game. Bowlers may then discard their lowest game, using the three-game total to compete for cash prizes. The cost will be $2.75 and competition will be held each week until August 28. The average used will be 1963 Bluebook. Minimum for those not having averages will be 140 for men and 130 for women.

Daytime league meetings are scheduled as follows:

Tuesday, June 4, at 9:30 a. m.; Wednesday, June 5, at 9:30 a. m., and Friday, June 6 at 10 a. m. Information may be obtained by calling Rick at PL 6-5777.

DORIS CUNNINGHAM and Randy Wilcox hold the trophies awarded them as Westlake Bowl Champions for 1964. Doris and Randy won the titles in competition representing Westlake Bowl's 3,000 league bowlers.

Serra Bowl News

A major event in San Francisco's recent "Bowling Week" activities was the clinic conducted by professional bowling instructors and coaches with the objective of selecting the area's most promising beginner. After careful consideration the award, made available by the San Francisco Examiner, was presented to Iris Moniz, a charming housewife fresh out of the Serra Bowl "Learn To Bowl" program. Iris, flushed with success, says she plans to continue her bowling career at Serra in one of the upcoming Summer mixed leagues.

Green Valley Cafe swept 3 out of 4 games from team No. 5 in recent Metropolitan Mixed 5's action. John Barada, 173 averager, paced the winners with his 232-536 series. Dennis Coffen led the league that night on a 211-581 threesome.

Scores continue to climb in the Monday evening 700 Handicap League. Last week's results show Ward Potthoff blasting 200-570 for the Q.F.I. team; Jim Curran tallied 146 pins over his average on a 221-587 series, and Mike Feliciano just missed a 600 series on a 210-598 effort in other action.

Competition in the 775 Boozers loop this summer is hot indeed! George Savy led the Sullivan Sport Shop to a 3-1 win over team No. 10 on a powerful 211-611 total. Team No. 6, led by Frank Romero with a 212-570 series, swept 3 of 4 games from team No. 8 while Roland Fierro paced his team No. 7 to a 4 game victory over the Hooper Printing Co. on a strong 216-603 trio.

David Daviton tagged this week's high individual game with a 249 in the 750 Masters League. This effort coupled with games of 200 and 155 tallied a nice 604 for Dave Wednesday night. Ray Harriman took 2nd spot in the individual high series department with a 206-597 score.

John Avanzino rolled high in weekend Father and Son kegling with a nifty 223-606 while John Tomasello led the juniors with a solid 214-567 threesome.

The U.S.E. team jumped out to a good start in the new summer Guys and Dolls Mixed League with a 4 game sweep over team No. 3 last Wednesday. John Nielsen paced the winners with a terriffic 213-599 series and Bob Rankin led the losers with a 504 total.

New Westlake PTA Officers

Officers for the 1963-1964 Westlake PTA were installed by Mrs. John Ednoff, parliamentarian.

Officers for the new term are Mrs. Arthur Dikas, president; Mrs. Jack Eichelberger, vice president; Mrs. Angelo Figone, recording secretary; Mrs. Sam Grieff, corresponding secretary; Mrs. Chadwick Reade, financial secretary; Mrs. Joseph Coccellato, treasurer; Mrs. Herbert Kraling, auditor; Mrs. Alvin Steinfeld, historian; Mrs. John Ednoff, parliamentarian.

Among many high scores in the Safeway Employees Association Mixed Leagues last week were Armand Rossiter — 221 and 558, Earl Friend—225 and 544, Manny Padia — 234 and 509, Jim Gustufson—220 and 602, and, last but surely not least, Wade Yancy posted a towering 245-618 to top the most recent action.

end of a 5-2 score over the Braves in this one. Highlights of the game were an unassisted double play by Giannini for the Yanks and Ronner scoring from second on a single by Gentile in a real display of speed.

The Bender Roofing Cats collected a pair this week. Falling before them first were the PAL Indians. Joel Carrara was on target picking up his 3rd win of the season pitching a 2 hit shutout. Abbott and Guzman were the big bats getting 2 for 3 for the Cats and 3 RBIs for Byzman. The Cats won over the Indians 8-0.

Gene Guzman took the mound against the Colts and came away the winner. He held them to one run while reliefer Richardson got blasted for 6 runs. Getchel, Karp, McGuigan and Abbott pofinded the ball for the Cats. Getchel tallied a homerun and a triple for the Cats. Joe Morch hit a homer for the Colts but it would not change the 11-7 outcome as the Cats won out.

Participated in Capsule Recovery

Charles H. Sherer, airman, USN, son of Mrs. Lucille R. Sherer of 685 Lockhaven drive, Pacifica, is serving aboard the aircraft carrier USS Kearsage and participated in the Pacific recovery of Astronaut Leroy Gordon Cooper after his 22 orbits of the earth.

Thirteen ships in the Pacific Recovery Force were patrolling five pre-planned recovery areas during the flight. The ships were supported by Navy carrier-based aircraft and Air Force land-based planes. A special world-spanning naval communications network links the Pacific force with the Atlantic recovery force and Cape Canaveral, Fla.

Relativity

"And now what have I done?" she asked the traffic officer when he stopped her in a suburban area.

"You were driving at forty miles an hour," he replied.

"Forty miles an hour? But I haven't even been driving for an hour!"

Confronted with this bit of irrelevant relativity, the officer chewed his pencil for a moment, doodled a little, gave up, and sent her on her way.

SSF Shutout

(Continued from Page 10)

pushed three runs across the plate in the next innings to take a 5-3 lead. This lasted until the bottom of the fourth when the Colts batted around to regain a lead of 7-5. Brian Cute, who had three hits, drove in two runs in this frame.

Terra Nova's victory over Westmoor was the Tigers' first in eight games. Roger Miller's crew had won their first two contests and then dropped seven in a row. The Rams, possibly looking ahead to their game with South San Francisco next week and a final shot to spoil the Warriors' spotless record, were ragged, committing six errors.

The Sharks picked up two unearned runs in the second inning and Kevin Roberts held Westmoor scoreless for five innings. The Rams tied it in the sixth as Dave Williams provided the key blow.

Terra Nova stayed in though. Marty Coll slanted a long three baser in the bottom of the inning and scored on Bill Hensley's single.

Roberts tossed one more goose egg in the seventh and the Tigers had closed their season auspiciously.

KEELING KNEELING and about to try again: Larry Keeling of Jefferson broke for second against the Colts about a minute later, and got nailed by a perfect throw from the Colt catcher.

In Europe, a marquis is a nobleman of hereditary rank above that of earl or count and below duke.

It's News To Vets

Q — Is there an extent-of-time limit or an amount limit on a GI home loan?

A—There is no limit on the amount of the loan in the case of a guaranteed loan. The limitation is on the amount of guaranty that can be issued upon the loan, which is 60 per cent or a maximum of $7,500. VA-insured loans, instead of guaranteed loans, may not exceed $26,666. The time limit is 30 years.

Q—Is there an age limit after which a war orphan may no longer be eligible for educational assistance by the VA?

A—Generally, the age is between 18 and 23, but in no case may the schooling assistance be continued beyond the 31st birthday of the beneficiary. Certain war orphans younger than 18 may receive this assistance—for example, those who are handicapped.

Q—Does the Veterans Administration ever recognize employee unions?

A—Yes. During the past six months, the VA has recognized 128 employees' organizations at 117 field stations as well as in Washington, D. C.

Q. What is the first step in applying for a GI loan to buy a home?

A. First a certificate of eligibility must be obtained from a VA regional office. These certificates now show the expiration date of the veteran's entitlement to obtain a loan.

Wins Social Security Award

Gil Khachadourian, 20 Forest Grove, Daly City, is the recipient of the Social Security Administration's highest award, it was announced this week by Roy F. Nilsson, acting district manager of the administration's San Francisco (Mission) office.

The "Commissioner's Citation" will be awarded to Khachadourian, who is field representative at the Mission office, by Commissioner Robert M. Ball in Baltimore, Md.

"Khachadourian is the only individual in the western United States this year to be awarded this citation," Nilsson stated. "The citation is being made for his efforts in keeping the American public informed of its rights under Social Security," Nilsson added. Khachadourian has been a resident of Daly City for over four years.

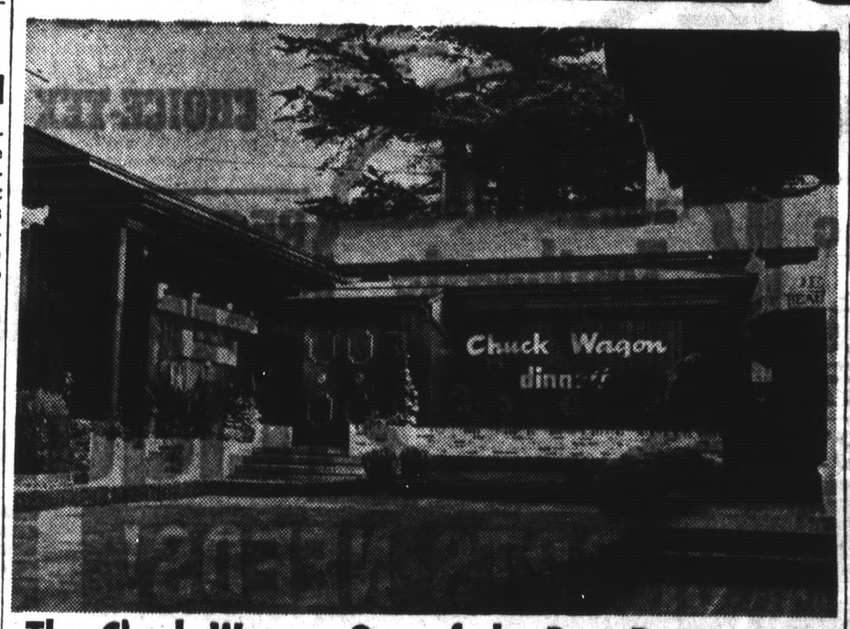
Probe Death of Daly City Man

Daly City police Monday were investigating the "apparent suicide" of Beverly Ransom, 54, of 562 Westmoor avenue.

Deputy Coroner Bob Jessen said Ransom was found by his wife, Dora, at 3:40 p. m. in the family car in the garage with a vacuum cleaner hose from the exhause through the window.

There was no note, Jessen said. Funeral services are pending at Valente, Marini and Peralta mortuary in San Francisco.

TOP SPOTS FOR DINING AND DANCING



The Chuck Wagon, One of the Best Restaurants

Co-owners Ozzie Buonchristiani and Charlie Morosin, of the Chuck Wagon, at 215 West Portal avenue, San Francisco, have undoubtedly one of the best restaurants in town.

Not only is the food superb, but the luxurious surroundings and the fine service do much to enhance this reputation. Whether you enter the Chuck Wagon from the bar-lounge or go directly into the dining room, you will be delighted with its charming decor.

For those who prefer an aperitif before dining, one can find it at the bar-longe, where even the bar liquors are the best.

New friends and old gather in a congenial mood around the huge fireplace, another friendly feature at the Chuck Wagon, to enjoy a sociable after-dinner drink or two. Delicious hors d'oeuvres are also served at the bar.

Those patrons strictly interested in food will find the Chuck Wagon incomparable. The standard procedure is to look over the food display, choose whatever you desire and the amount, then your waiter escorts you to your table to serve you. Seconds may also be enjoyed. The piece de resistance of the house is their prime ribs of beef, served every night, along with two other entrees from which to choose. All Chuck Wagon meat is Idaho bred exclusively and the best money can buy. Other entrees may consist of Cornish game hen stuffed with wild rice, veal scallipini with Marsala wine, chicken cacciatora, Italian fried chicken, ravioli made at the Chuck Wagon with turkey meat and prime ribs, lobster, prawns, scallops or abalone. Such fare is hard to beat at the low price of $3.25, including tax.

The Chuck Wagon dining room is open from 5 p.m. to 11 p.m., weekdays, and Sunday from 4 p.m. to 10 p.m. The lounge is open from 5 p.m. to 2 a.m. They are closed Mondays.

Party facilities are also available for up to 150 people. For the ultimate in dining pleasure, try the Chuck Wagon at West Portal tonight.

From A Feminine Viewpoint...

By Mona Baker

Graceful bouffant skirts, jaunty bow ties—a rainbow of color as junior high youngsters danced at their annual "Springfest" held in the gaily decorated Daly City War Memorial building. This was the first joint social affair of the junior high clubs that was organized six months ago under the sponsorship of the Daly City recreation department.

Clever printed programs listed the evening events. In addition to the dancing, there was a talent show with each club represented by one act. The youngsters thoroughly enjoyed the show, crowding close to the stage to get a better look and applauding their favorites enthusiastically. The Majestics Club was winner of the Springfest Perpetual Award.

Supervisor of youth activities is Alan Boyd, who heads a staff of 13 members. There are six clubs (Casualiers, Imperials, Majectics, Roof Raisers, Telstars, Westlake Swingers) in the local area, who meet twice a month the year round. Each club plans individual activities and, in addition, there are joint affairs such as the Springfest. Tentative plans for the coming months include a carnival on July 4, a family picnic in August and an inter-club softball league for both boys and girls.

Honored at an installation breakfast at the Olympic Club at Lakeside last Sunday was this week's community leader, who has just completed her term as head of Westlake Catholic Women. A most dedicated worker in Our Lady of Mercy Church, as well as the community, she has given many hours of volunteer service during the past years.

She served as chairman of the church's first festival dinner and of the annual rummage sale. Also, she has been a representative to the ACCW in San Francisco.

Other community activities include Daly City Friends of the Library, of which she is a charter member, and has served on the organization's executive board. She was also a Den Mother in Boy Scouts.

She is now serving her second term as library commissioner and is a member of Mary's Help Hospital Guild. She will continue to serve as parliamentarian with the Westlake Catholic Women.

We salue Mrs. Frank Kelechava as community leader of the week! Residents of the area for 12 years, the Kelechava family, husband Frank and children Michael, Karen and Janice, reside at 141 Winsor drive.

At an impressive public installation held last Saturday evening at Parnassus Masonic Temple, David Peebles, 807 Beechwood drive, Broadmoor, was installed as Master Councilor, Mission chapter of the Order of DeMolay. Other newly-installed boys from the local area include Richard Landess, Senior Councilor; John Guz, Junior Deacon; Geoffrey Caldwell, Senior Steward; Lloyd Caldwell, Junior Steward, and Bruce Dahl, First Precepter. Dancing followed the installation ceremony.

FASHION WHIRL: The sun peeked through only briefly, but even if it hadn't the chic bathing suits warmed up the air as Penney's swimwear fashion show was held last Saturday on the Westlake Mall. Hot orange and bright turquoise, brilliant tropical prints, large coin dots with sun hats, beach bags and thongs keyed to the suits had the crowd "ohing and ahing" at the high fashion bathing suits.

Brilliant colored vacation clothes too will be featured at the YWCA fashion show-dinner dance to be held this Friday evening. The decor will be international, the lovely fashions will be from H. Liebes and the entertainment will be Hawaiian featuring Jerry Matlock and her hula dancers.

NEW OFFICERS: It is election time for many local women's groups. Heading the Village Cooperative Nursery School is a new group of officers including Jan Sherne, president; Kay Matve, vice president; Bianca Caserza, secretary-treasurer; Tense Bullock, treasurer; Margaret Mathers, parliamentarian; Bea Wolfertz, scheduling; Selma Levinson, council delegate; Polly Bergtraun, publicity and Charlotte Bayer, supply.

Installation will be held on June 6 for Court St. Mary No. 155 Catholic Daughters of America. Officers to be installed include: Grand Regent, Georgiana Clark; Vice-Regent, Carol Kikas; and officers, Isabel O'Relly, Ann Ryan, Eva Baldwin, Louise Barnard, Lillian Wetstein, Ann Minoletti, Una Mae Kulik, Irene Collins, Alice Gonzales, Esther Nolan, Margaret Glynn, Nell Gallagher, Rose Lutz and Mildred Covell.

—★—

SOCIAL WHIRL: It was a luncheon held at the Red Chimney to honor Mrs. Kevin Donovan who completed her term as president of Benjamin Franklin PTA. Guests included incoming president, Mrs. Alber Altman, Principal Leonard Herbst, Mrs. Jack Eichelberger, Mrs. Philip Glebow, Mrs. Thomas West, Mrs. John Ednoff, Mrs. Nathan Siegel, Mrs. Robert Noryko, Mrs. Kenneth Gillespie, Mrs. Wm. Bradshaw and Mrs. Robt. Perry. Guess who was the lucky winner of the drawing, our own B. G. (Bunny) who received a beautiful dress.

WOMEN'S ACTIVITIES

AT HOME in San Carlos are the recently-wed Mr. and Mrs. Joseph LaFauci. (Photo by Mildred.)

Carmel Trip For Newlywed LaFaucis

A week-long honeymoon in Carmel followed the recent marriage of Mr. and Mrs. Joseph LaFauci, who are currently making their home in the deep peninsula.

The bride is the former Miss Luann Seelig, daughter of Mrs. Mary Seelig, a former Westlake resident now living in San Carlos.

Luann is a Westmoor High School graduate and the sister of twins Marty and Mike Seelig.

Her husband is the son of Mrs. Joan LaFauci of 551 MacArthur drive in Broadmoor, and he also attended Westmoor.

Joe is the brother of Miss Sharon LaFauci, who is an eighth-grader at Benjamin Franklin Intermediate School, and Douglas LaFauci who is in his freshman year at Westmoor. Joe's other sister is Lorraine (Cookie) LaFauci.

For their double-ring ceremony at St. Charles Roman Catholic Church in San Carlos, Luann and Joe asked two of their Westmoor aquaintances to be honor attendants.

Sandy Sardina of Westlake was the maid of honor and Ron Mitchell of Broadmoor stood as best man. The bride's stepfather, Sam Skelton of San Carlos, gave the bride away.

For the 1 p.m. nuptials Luann wore a white wool suit with a matching pill-box hat. Her nosegay was fashioned of white orchids.

For her daughter's marriage Mrs. Seelig donned a black and white print and Mrs. LaFauci wore a powder blue suit. Both had shoulder corsages of white orchids.

Jobie Moms Final Meet

Mrs. Lillian Ramirez, 464 El Dorado, Daly City, will be the hostess for the June 4 meeting of the Mom's' Club of Bethel No. 198, International Order of Job's Daughters.

Co-hostess for the 7:45 p.m. session will be Mrs. Lillian Felch.

This will be the group's final meeting until fall and all members are urged to attend. Refreshments will be served.

On June 23 the Mom's plan to visit the Ice Follies. Mrs. Muriel Keith is chairman for the outing.

Rose In Bloom At W.M.S. Dinner

An unusual fashion show, entitled "Rose In Bloom," was staged recently by the Women's Missionary Society officers of the Westlake Community Baptist Church.

The affair was one of the highlights at the association's May 17 Mother and Daughter dinner, during which an installation of the officers who will serve the group during the 1963-64 term was conducted.

Mrs. Glenn Marshall was the installing officer.

More than 80 mothers and daughters gathered for the gala occasion and to fete special guest Mrs. Gordon Yeadon and her daughter, Roseann, who were popular members of the Westlake area before their recent move to San Jose. They were presented with Sweetheart Rose corsages.

Table and room decorations were artfully executed by Mrs. Rodney Schaubroeck using pink and red roses exclusively.

The musical program was under the direction of Mrs. Ivyle Lederer and featured music with the word "rose" in the titles. Mrs. David Lithgow sang "La Vie en Rose." Mrs. Everett Saunders was in charge of the reservations and adoption service.

Barbara Taylor was in charge of models and the fashion show, which was divided into legendary roses and real roses and the models were costumed befitting their titles: "Mexicali Rose," was portrayed by Helen Reaser; "Last Rose of Summer" by Marie Bernard; "Yellow Rose of Texas" by Lucille Saunders; "Wild Irish Rose" by Betty Wiener; "49er Rose" by Hedi Lucas; "Rose in Bloom" by Jennie Olivera; "Sutter's Gold" by Barbara Taylor; "Climbing Rose" by Blanche Mann; "Princess Margaret Rose" by Marsha McPherson; "American Beauty" by Carol Lucas; "Baby Rosebud" by Virginia Wiener; "China Dolls" by Mary High and a friend; "Wild Rose" by Susan Bernard and "Sweetheart Rose and Buds" by Marg DeLoach with Georgia and Marie Schaubroeck.

Mrs. Edith Jackson was guest speaker and closed the program with an allegorical topic "Perpetual Roses."

The new officers for the W.M.S. are: president, Mrs. J. McPherson; 1st vice president, Mrs. Rodney Schaubroeck; vice president of Missions, Mrs. Lynn Hodges; vice president of Christian Service, Mrs. Etta Luallin; vice president of Christian Training, Mrs. John Hergert; secretary, Mrs. J. Bernard; treasurer, Barbara Taylor; and publicity chairman, Mrs. Everett Saunders.

ROSE IN BLOOM was the theme of the recent style parade staged for women of the Westlake Community Baptist Church. Shown above are models Barbara Taylor, who portrayed "Sutter's Gold Rose," and Blanche Mann, who typified "Climbing Rose." (Photo by Jeff Siener Wiener.)

HER OWN GALLERY — Beth Batchelor, portrait artist, had her own gallery of admirers recently in the Westlake mall during the annual Westlake Art Show. She appears to be enjoying her creative effort.

Miss Sandra Rosales

S. Rosales To Be Wed

A romantic announcement was made recently by Mr. and Mrs. Roger Rosales of 898 Maddux drive, Daly City, as they revealed the betrothal of their daughter, Sandra, to Jack Klingner.

The bride-elect is a graduate of Balboa High School in San Francisco and the sister of Janis Rosales, who attends Westmoor High School.

Her fiance is the son of Mr. and Mrs. John Klinger of 1441 Royal avenue in San Mateo. Jack is a graduate of Jefferson High School.

Wedding plans have not been disclosed as yet..

New Officers For Daughters

The next meeting of the Daughters of Israel will be held June 5 at 12:30 p.m. at 67 Los Banos avenue in Daly City.

Sadie Zeller, president, announced that the meeting will start promptly and that the nominations of officers will be held.

Following the Wednesday session, refreshments will be served.

North Peninsula Crittenton Home Circle To Meet

The North Peninsula Circle of the Florence Crittenton Home of San Francisco has scheduled its next meeting for June 10 at 10 a.m. in the War Memorial Building in Daly City.

John Mongan, principal of Jefferson High School, will be the guest speaker.

The home reports that nine volunteer groups have bene formed throughout Northern California to help the agency in its work of caring for unwed mothers.

The most recent groups to be formed are the North Peninsula Circle and Tuolumne County Circle. Other volunteer groups include the: San Francisco Auxiliary, Diablo Valley Circle, Marin County Circle, Peninsula Auxiliary, Diablo Valley Circle, Humboldt County Circle and West Valley Circle.

Recently Mrs. Samuel Scarlett was succeeded as president by Hart H. Tantau of Palo Alto. Serving as officers with him for the coming year will be: Mrs. Jerrold Kingsley, San Francisco, first vice president; Mrs. Bullard Nugent, Ross, second vice president; Gardiner Johnson, Piedmont, third vice president; Rodney Guilfoil, San Francisco, secretary; and Gustav Knecht, Jr., San Francisco, treasurer.

Newly elected to the board of directors were Mrs. John Bolles. Sydney P. Harrison, Mrs. George Vaughan and North Baker.

Mrs. Scarlett voiced a tribute to the volunteers recently, not only for their financial support, but for their work in "bringing home the magnitude of the problem of illigitimacy and its implications to their communities."

Dematteі-Hayes Vows Exchanged

By Bunny Gillespie

Tall standards supporting arrangements of white spring flowers, interspersed with baskets containing green ferns, decorated Holy Angels Roman Catholic Church for the Saturday afternoon exchange of vows between Evelyn Marie Dematteі and Wallace Arleigh Hayes.

The bride is the daughter of Mr. and Mrs. James Dematteі of 169 First avenue in Colma and the sister of Mrs. Cosimo Alioto and Jim Dematteі.

For the high noon nuptial mass, Evelyn donned full length peau sheath, which was fashioned with a wide neckline that had been trimmed with pearls set in a floral motif, a semi-shaped skirt and wrist-length sleeves which terminated in points over her hands.

Her finger-tip length illusion veil was secured with a multi-pointed pearl crown and she wore a single strand of pearls around her throat. The bride's bouquet was a formal arrangement of white orchids.

Gloria Alioto (who is the popular young matron who teaches fifth grade at Garden Village School in Colma) was her sister's honor attendant and Janet Dyen, with the benedict's sisters, Nancy and Carol Hayes, completed the feminine contingent.

The matron of honor and bridesmaids all wore gowns of nile green silk and crowns of pearls. Their nosegays were of yellow roses, ferns and forget-me-nots.

Harald Oyen was the best man for Wallace and seating arrangements were handled by Dan Mote, Herbert L. Damner and the bride's brother, Jim Dematteі. The Rev. Richard Long officiated at the ceremony.

Evelyn, who was escorted to the alter by her father, James Dematteі, was graduated from Jefferson High School and furthered her education at San Francisco State College. She is affiliated with the Alpineer Ski Club and is employed as a secretary at Treasure Island.

Wallace is the son of Mr. and Mrs. William Wallace Hayes and the brother of Mrs. Harald Oyen, Nancy Hayes and Carol Hayes. He attended Tamalpais High School and the College of Marin. He is employed by the Goodyear Tire Company's office in San Francisco and is awaiting his transfer to Sacramento by that firm.

Following their May 18 marriage, the new Mr. and Mrs. Hayes greeted friends and relatives at a reception given in their honor at the Elks Club in San Mateo. White flowers were used extensively there with a focal point being the four-tiered wedding cake surrounded by white blooms and featuring miniature swans, and topped by the traditional bride-and-groom figurines.

For the gala event, Evelyn's mother wore a navy blue knit suit and white flowered chapeaux while Wallace's mother wore a dress of beige lace.

For the honeymoon trip, which took the couple to Canada, the bride wore a beige knit suit with navy blue accessories. The newlyweds plan to make their home in Sacramento in the near future.

OLYMPIA PTA meeting will come to order; with mallet in hand, Mrs. Nicholas Budea, president, calls her new board to order: Mrs. Monte Hill, vice president; Mrs. Herbert Luders, recording secretary, and Mrs. Harold Mahan, treasurer.

CITY OF HOPE — These two Bay Area residents, Blase V. Restifo (left) of Daly City and Barbara Rose of San Francisco are pictured helping to recruit volunteers for the City of Hope's annual Volunteer Neighbors March on June 4 to support its research and free medical care in catastrophic diseases. Both urge a generous response to the fund appeal because of their own personal experiences at City of Hope. Mrs. Rose's four-year-old son, Jaimie, died of leukemia, still an incurable disease, but the understanding and compassion she met at City of Hope saved her from cracking up over her tragedy. And she feels that City of Hope research promises to spare other parents the torture she and her husband suffered during the boy's prolonged illness. Restifo was in a wheelchair and near the end of the road when City of Hope treatment of his cancer condition resulted in a dramatic improvement.

Variety At Westmoor PTA Meet

The final meeting of the Westmoor High School Parent-Teacher Association proved to be one of interest and variety. The May 16 meeting was held at 3 p. m. in the cafeteria at Westmoor High School.

Fred Adams presented scholarship awards to Gloria Moore, Michael Hunter, Richard Spector and James Rutledge, four of Westmor's outstanding students.

Mrs. Foriest Cunningham, junior past president of the 17he District PTA, installed the officers for the year 1963-64: Mrs. Roy Milam, in-coming president.... Mrs. Thomas Clangelo, vice president; Glen South, honorary vice president; Mrs. Armand Carrara, recording secretary; Mrs. L. E. Eagleton, treasurer; Mrs. Leo Lewis, historian; Randy Hix, auditor; Mrs. John Taylor, financial secretary, and Fred Adams, parliamentarian.

Girls of Westmoor's homemaking classes paraded around the clock as they modeled the clothes they had made during the past year.

Homemaking teachers are: Mrs. Aileen Kelly, Mrs. Janet Sweeney and Miss Stephonie de Gorog, a student teacher. Music was under the direction of Howard Loefeler.

With the clock set at 6:30 a. m., models wore: Nightwear, pajamas and robes; 8 a. m. school: skirts, blouses and dresses; 3 p. m.: sports: shorts, capris, blouses; 12 noon: travel afternoon and dresses suitable for tea: 8:45 p. m. Evening: Party dresses.

Salvation Army Lends Helping Hand

A woman with seven children is deserted by her husband. There is no money in the house, no food in the cupboard. Welfare will not be available for several weeks.

Where does she turn?

In San Carlos, as everywhere in San Mateo County, she seeks help from the local volunteer unit of the Salvation Army. And gets it..

The story of the San Carlos Volunteers is typical of that of 13 such units throughout the county. They operate in a quiet but effective way each day in Belmont, Burlingame, Daly City - Colma - Westlake, Half Moon Bay, Menlo Park, Millbrae, Pacifica, San Bruno, San Carlos, San Mateo, South San Francisco - Brisbane - Bayshore, Atherton - Woodside and Hillsborough.

They have some 100 members who serve sielflessly and without pay. The money they expend comes from donations given by San Mateo County citizens each year to the Army's fund raising drive. This year the drive currently in progress seeks $63,725.

KING AND QUEEN—Accepting the homage of their subjects are Jimmy Hicks, king, and Peggy Ryan, queen, during special May Day festivities at Olympia School.

Increase Shown in Teachers Association

At the May meeting of the County Council, governing group of the San Mateo County Teachers Association, membership chairman Lucille Zorich of Redwood City District reported membership for the 1962-63 year at 3550—an increase over the previous year. This is approximately 71 per cent of the 5,000 total certificated teaching and administrative personnel in San Mateo County.

John Belforte of Jefferson District is current president of SMCTA, with elected representatives on the Council from every school district in the county.

Also on the Council from the Daly City area are:

District Representatives: Michael Pennings, Jefferson Elementary (Lincoln School); Patrick Ryan, Jefferson High School.

Blood Bank Chairman: Alfea Belli, Jefferson Elementary District Office.

Budget Chairman: Peter Hansen, Benjamin Franklin School, Jefferson Elementary.

CTA State Council Representatives: Marjorie Reandeau of Jefferson High and Richard Hart of Westmoor High.

Student Music Recitals Will be Held Next Week

The faculty of the Westlake Music Center will present its 3rd annual series of student recitals on June 3, 4, 5, 6 and 7 in the Westmoor High School Little Theater, Westmoor avenue at Edgemar drive in Daly City, according to Robert Morford of the Music Center.

The student presentations will begin at 7:15 p.m. with a different group of youngsters preforming each evening. Morford stated that more than 160 pupils will participate in the series.

"The degree of proficiency and the type of instruments used will be greatly varied during each recital to avoid monotony and to insure the audiences an interesting evening," Morford noted.

An added attraction will be guest preformances by the Westmoor Adult school orchestra, under the direction of Howard Loeffler, and the Westlake Accordion Band, preforming under the baton of Armin Oliveras. The adult orchestra will play a selection of numbers on Tuesday and Thursday nights and the accordion band will preform on Monday, Wednesday and Friday, according to Ralph Heath, Jr., recital manager.

Names of faculty members, as released by Mrs. Clarice Morford, are: Thomas Clark, piano; Arthur Forcade, purcussion; Victor Dobyns II, guitar; Frank Hansbery, brass instruments; David Krinitsky, reed instruments; Jerry Lane, brass; Loeffler, reeds; George Louis, guitar; Mrs. Grace Luzzi, piano and organ; Donald McKenzy, violin and reeds; Armin Olivaras, piano, accordion and brass; Arthur Samuels, reeds; Bud Seghieri accordion; James Sharpin, reeds; Mrs. M. Singer, piano and guitar; Richard Snyder, reeds and William Tiedemann, piano.

Pack 244 Derby Time On May 11

On May 11 Den 2 spent an afternoon at the Japanese Tea Gardens and saw the "Moons of Man" at the Morrison Planetarium.

The field days scheduled for May 18 turned out to be a baseball game. About 20 boys showed up. Mr. Durham, Mr. Woolery, Mr. Bomba, and Mrs. Jones supervised the game.

At the pack meeting, the boys crossed their fingers and toes and the race began. Mr. Button was the finish line judge, assisted by Al Delfino, Bob Miller was the car release man.

The cars raced through the elimination runs and first place went to Jimmy Delfino. Second place went to Steve Scott. Third place went to Jimmy Fisicaro.

There were some very nice cars brought to the Derby and ribbons were awarded to the best looking car from each Den. They were as follows:

Den 1, Jimmy Houston; Den 2, Steve Scott; Den 3, Marty Lemp; Den 4, John Bomba; Den 5, Danny Dezman; Den 6, Gary McCarthy; Webelos Den, Mike Cordoza.

The boys all came away with something as each boy was given a racing car pin which had the number of his Derby on it. Win, lose or draw we all had fun.

Awards for this month are:

Den 1—Mark D'Olivo, 2 yr. pin; Steve Merlo, 2 yr. pin; Danny and Jimmy Houston, Silver Arrows; Gary Ceccato, Troop 65, Den Chief Cord.

Den 2, Mike Jones, 1 yr. pin and new boy award; Stephen Scott, Wolf Badge.

Den 3—Dean Barnes and Mike Solari, New Boy Awards; David Hill, Denner Bar; Marty Lemp, Assistant Denner Bars; Stephen Camp, 2 yr. pin; Mike Solari, Wolf Badge.

Den 4—Jimmy Granna, Denner Bar; Robert Varley, Assistant Denner Bars; Teddy Kenny, Bear Badge and Gold Arrow.

Den 5—Timmy Roylance, Wolf Badge and Gold Arrow; Richard Babbit, Wolf Badge.

Den 6—Frank Carney, Denner Bar; Billie Ahern, Assistant Denner Bars; Frank Bertini, Bear Badge; Hank Goias, Silver Arrow.

Our Pack picnic is May 26 at Blackberry Farm. There will be races and prizes for the wee tots, cubs and parents. This is an annual event and we all look forward to having a lot of fun.

Den 3 won the attendance cup and Den 2 won the Honor Flag.

Cub Pack 84 'Blasts Off'

The May Pack meeting for Cub Pack 84 found the Cubs "blasting off," as Den 10 joined Astronaut Cooper on an historic flight to the moon. Scientific evidence was produced by the triumphant voyagers to definitely prove the moon is really made of cheese, as each boy brought back large samples. The Junior Spacemen — Rick Bravos, Ray Crapse, Peter Filkins, Rick Fleischer, Jamie Horn, Rick Perry and Lee Shackelford were wildly applauded by their space-minded fellow Cubs, and Den Mother, Mrs. Theo. Bravos was cited for her up-to-date theme..

The following new Bobcats were welcomed into the Pack with traditional wolf howl: Phil Crofton, Steve Rehfeld, Rick Nelson, and Phil Gernes.

Cubbing's highest honor, the Arrow of Light, was awarded Pat Leonard, who now graduates into Boy Scout Troop 84. Pat was awarded a Boy Scout knife with the Pack's congratulations.

It was announced that Pack 84 will participate in the Memorial Day Services at Golden Gate National Cemetery, May 30.

Other awards were as follows: Wolf, Sam Garcia and Jamie Horn. Bear, Craig Haradа; and Lion, Steve Andrade and David Clyne. Arrows were awarded to Jim Dahlstrom, Steve Bogart, Carl Nelson, Mike Garcia, Budd Arnott, Steve Ferreira, Tom Burke and Tom Alevander.

The flag ceremony was handled by the Webelos Den, with Richard Gray as leader. Den 9, led by Mrs. Wm. Brewer, provided refreshments, and also captured the display competition assuring this Den of first place in line for cupcakes first place in line for cupcakes. The attendance flag went to Den 10, and inspection was won by Den 8, under Mrs. Thomas Gonzales.

Loan Associations Honor High School Grads

Westmoor and Terra Nova high school graduates were among 17 San Mateo County high school seniors honored last night as Outstanding Student Award Winners in the program co-sponsored by the county's savings and loan associations and the California Savings and Loan League.

The students were guests of honor at a recognition dinner held at the Villa Hotel in San Mateo, which was attended by high school principals, school administrative officials, parents of the students, and savings and loan association executives.

Winners of the award were each presented with a check for $100 and an engraved medallion.

They were John D. Evans, Aragon High School, San Mateo; Norman Richard Naegle, Hillsdale High School, San Mateo; Michael I. Campbell, San Mateo High School; Joseph C. Scalmanini, Serra High School, San Mateo; Ralph Roy McArthur, Carlmont High School, Belmont; Janice Marie Tucker, Half Moon Bay Union High School; Susanne Lawrenz, Terra Nova High School, Pacifica; Richard Waller, Jefferson High School, Daly City; Kenneth Lehre, Westmoor High School of Daly City; Michelle DeKlyen, Capuchino High School, San Bruno; Richard South, Mills High School, Millbrae; Bruce William Grantham, South San Francisco High School; Judith Ann Sanderson, Sequoia High School, Redwood City; Tracy Jaekel, Burlingame High School, Burlingame; Maralyn Ann Duncan, Ravenswood High School, East Palo Alto; Mary Lynne Taylor, Woodside High School, and William C. Popik, San Carlos High School.

The dinner was presided over by Albert N. Gibbs, chairman of the local Savings and Loan School Relations Committee. The principal speaker was Dr. Julio L. Bortolazzo, president of San Mateo College, whose topic was "Today's Investment, Tomorrow's Dividend."

Local savings and loan associations sponsoring the program are Bay View Federal Savings, Citizens Federal Savings, Eurekea Federal Savings, First Federal Savings of Burlingame, Guaranty Savings, Home Mutual Savings, Peninsula Savings and San Mateo Mutual Savings.

The $60,000 Outstanding Student Award program was initiated six years ago by the California Savings and Loan League and the California savings and loan business.

It is unique in that each principal of 510 senior high schools in the state selects an outstanding student for the cash award and medallion. The award is granted irrespective of any other scholarship funds won by the student.

Firemen Attend Officers' Course

During the week of May 13-17, two of Daly City's fire department training officers, Battalion Chief Melvin Hanson and Captain Richard May, attended the annual Fire Training Officers course at Fresno.

The course was conducted by the California State Department of Industrial Education, division of fire training.

The purpose of the course was to bring the students up to date on the ever-changing science of fire fighting, and to improve their teaching methods and techniques so that they may be a greater asset to the city they serve and the fire department personnel they instruct.

VFW Post and Auxiliary Get 10 Citations

Ten citations for achievements were made to Old Glory Post and Auxiliary of the Veterans of Foreign Wars at the annual meeting of District 12 held in Spreckels, Calif.

Old Glory Auxiliary won first place for publicity and stimulating public interest in veterans' organizations.

"We do thank our local newspapers for their cooperation in giving us space to stimulate interest in our veterans organizations activities," said Louise J. Crowley, publicity chairman.

Cub Pack 259 Circus Night

A very original assortment of costumes were devised by the Cubs of Pack 259 for their Circus Night at the May 17 Pack meeting.

Cubmaster Scaduto asked Boy Scouts from Troops 129 and 259 to present the colors and the pledge of allegiance was led by Cub Scout, Bruce Marsh.

Two new members, Bradley Cloonan and Raymond Orton received Bobcat pins.

The Webelos Den presented the S. F. Midgets in a freak baseball game, with balls that disappeared or came back to the pitcher before they ever reached the plate.

The circus was terrific and the Cubs did a marvelous job on costumes and their acts.

Awards time announced by Mr. Scaduto as follows:

Wolf Badge: David Impeartrice, Steven Kane, Mark Haymaker, Cal Courtney.

Bear Badge: Bill Sherbert, Eddie Cohen.

Lion Badge: Bruce Marsh, Mike Peters.

Gold on Wolf: David Impeartrice, Steven Kane, Mark Haymaker, Sandy McDonald, Mike Lampe.

Gold on Bear: Gene Baraona, Bill Sherbert.

Gold on Lion: Bruce Marsh, Mike Peters.

Silver on Wolf: Steven Kane, Bob Muller (2), Dennis MacPherson, Herbie Henderson, Steve Peters, Pat Meade, John Heissenbuttel, Steve Paras.

Silver on Bear: Tim O'Brien, Bill Sherbert.

Silver on Lion: Bruce Marsh (2), Mike Peters, Max Bushner (4), Tim Orton, Steve Mazza, Mark Fontana, Greg de Martini.

Denner Stripes: Romeo St. Pierre.

I Year Pin: Romeo St. Pierre.

2 Year Pin: Max Bushner.

Webelo Sleeve Badge: Tobi Kasavan.

Outing chairman, Capt. Foss, reminded all present about the Cub picnic on June 2 at Flood Park. Another outing is planned for July 1, to see the Giants play Cincinnati at Candlestick Park.

Cubs grow up fast and graduation time has arrived for two Cubs, Greg de Martini and Bruce Marsh. Cubmaster Scaduto presented achievement plaques and graduation certificates to the boys and their parents. Greg and Bruce have elected to join Boy Scout Troop 259. Cubmaster Scaduto escorted them to their new Scoutmaster, Frank Swanson, and the Antelope Patrol of Troop 259 lined up to receive the new boys, with Scout neckerchiefs put on the new boys.

Sal Scaduto, Cubmaster of Pack 259, expressed his thanks and appreciation to a number of adults who have all worked hard in fulfilling various Pack jobs. Called on stage were: Carlos Mattson, committee chairman; Mary Haymaker, counseling den mother; Kay Mattson, Virginia O'Brien, Sylvia Impeartrice, Jessie St. Pierre, Yvonne Peters, Barbara Kasavan, Bernice Cohen, Lois Sherbert, Bea Meade and Mary Ann Heissenbuttel, den mothers; Dorothy and Collins Orton, Cub Tracks editors; Maurice Kasavan, treasurer; Capt. Foss, outing chairman.

Mr. Mazza and Mr. de Martini, Webelo leaders; Mr. Muller, membership chairman; Millie Esposto, refreshment chairman; Jean and Bill Proctor, awards chairmen; Mr. Henderson and Mr. MacPherson, Scout-a-rama chairmen; Mr. Heissenbuttel, rocket derby chairman; Mr. Haymaker, Mr. Paras, Mr. Courtney, Mr. Lampe, sustaining membership drive. And Pauline Scaduto, assistant to the Cubmaster and Cub Tracks printer.

Colors were retired and refreshments followed the meeting.

Circus Comes To Lincoln Elem. School

The circus, with all of its color, noise and excitement, came to Abraham Lincoln Elementary School on Wednesday, May 15, in Kindergarten B, Mrs. Kay Bollendonk, teacher and circus director.

Before an audience made up of admiring parents, awe-struck younger brothers and sisters, and doting grandparents, the bedecked performers went through their paces like seasoned troupers.

First to appear were the breathtaking tight-rope artists in their glistening tiaras. The a.m. group included: Teresea Coppin, Linda Burlingame, Catherine Philpotts, Robin Wiltz, Yvonne Roche, Kathryn Grimley and Cynthia Scanlon; the p.m. performers were: Connie Aquino, Claudia Stock, Susan Hirsch, Denise Martin, Lottie Cortez and Regina Tarentina.

From off stage came Indian braves, gay feathers atop their heads to render an ancient Indian dance of joy and thankfulness. These smiling boys were: James Meagher, Christopher Green, Benjamin DeAlba, Matthew Wheat and Jerome Garden for the morning class; William Kennedy, Ed Guzman, Larry Ohman, Michael Gordon and Wayne Pearl in the afternoon.

"Indians are always followed by cowboys" was the announcement before the entrance of yipping, hard riding cowboys and girls. These riders were: Jeffray Prudencio, Charlene Benton, Barbara Levey, Mark Wheeler, Laurie Oliva, Nathaniel Pava and Kathleen Smith in the morning performance; and Diane Kahn, Richard Andersen, Donna Murray, Rochelle Feldman, Julie Rodrigo and Craig Broune in the afternoon show.

Every circus has its clowns; and this one had a dance of clown partners. In red and white pointed clown hats the following dancers entertained the audience: Elizabeth Greene and Bruce Peerman, Nancy Pringle and Alfred Deltorchio, Julie Banks and Albert Camillo and Lynette Lahtinen and James Tomlinson, Brenda Locke and Samuel Lipson, Denise Carew and Kevin Brady, Judith Jensen and Peter Consulter and Carol Spitelari and Michael Thomas.

Prancing ponies formed a Merry-Go-Round and bobbed gracefully up and down as ponies are wont to do. Theresa Hoedt and Mark Washford, Michelle McPhun and Bruce Faulkner, Catherine Shubunka and Kevin Redfield and Helen Theofanis and Mark Mandoli circled in the morning class while Pamela Vladyka and Ronald Ruttenberg, Susan Begun and Martin Picciau, Helen McHugh and James Brooks, and Kathryn Goheen and Michael Barbieri pranced for the p.m. show.

The entire class took part in the grand march which was the finale of the May festival.

As always at a circus, popcorn and pink lemonade were available for performers and spectators alike. The refreshments were prepared and served by the class mothers: Mrs. David Burlingame, Mrs. Mario Mandoli, Mrs. Harvey Goheen and Mrs. Clifford Lipson.

Medical Society Endorses Increased Mental Health Care

"Members of the San Mateo County Medical Society strongly endorse the increased focus of treatment within the community of those with mental and emotional illness."

This announcement was made by Dr. David Wilder, chairman of the psychiatric section of the County Medical Society. Dr. Wilder is also a member of the staff of Twin Pines Sanitarium in Belmont.

Commenting on the announcement, Dr. Jerome H. Diamond, Pacifica physician, said: "Close cooperation between private and public facilities in the field of mental illness is most helpful to the people within the community."

This statement made during National Mental Health Month, reflects the proclamation of support by the American Medical Association given to President Kennedy"s newly proposed Mental Health program. This national program urges prevention, diagnosis, treatment and rehabilitation of the mentally ill at the local level.

Jeff Elem Parents Will See Telstar

An exciting color movie "The Building and Launching of Telstar I" will be presented to the June 4 P.T.A. meeting at Little Jeff. After the 30 minute film, Mr. Pratt from Pacific Tel & Tel will be available for discussion and question. The program will begin at 7:30 p.m. with refreshments served by the first grade mothers.

Montgomery Blair Pamphlet Available

Abraham Lincoln's colorful and controversial postmaster general, Montgomery Blair, is the subject of a new postoffice department publication presented to the Daly City public library this week by Postmaster Vincent P. Murphy of Daly City.

Postmaster Murphy said that copies of the Montgomery Blair pamphlet may be obtained from the Superintendent of Documents, Government Printing Office, Washington 25, D.C., for 25 cents a copy.

Shavous Service At B'nai Israel

The Holiday of Shavous will be celebrated at the templehouse, 67 Los Banos avenue, as follows: There will be evening services at 8 p.m. on Tuesday and Wednesday. Yiskor will be on Thursday morning with services commencing at 10 a.m. Everyone is invited to attend.

The holiday of Shavous reminds us of receiving the Ten Commandments of Moses on Mount Sinai by which we now live our lives.

Traditional family worship service will be held at the templehouse this Friday evening, May 31 at 8:30. Rabbi Shore's sermon for the evening will be "The Life of the Late President of Israel, Yitzchok Ben Zvee."

All children celebrating their birthdays during the month of May will be honored by Rabbi Shore and will have their usual birthday cake. They are: Janette Benson, Gail Clarfield, Laurie Cox, Sandra Fuhs, Larry Fuhs, Harvey Goldberg, Allan Hoffman, Bradley Kass, Debbie Krow, Barry Lichtman and Lori Stein.

Because of the holiday, there will be no Hebrew school on Tuesday, May 28, and Thursday, May 30.

Sisterhood Donor Luncheon

The date is drawing near for the Sisterhood Donor Luncheon which promises to be both an entertaining and enjoyable afternoon. The luncheon will be held on Monday, June 3, at the Thunderbird Hotel where they will also have a fashion show. The donation is only $10 per person. Anyone wishing to attend the aforementioned luncheon may do so by calling the chairman, Sarah Goldberg at JU 8-7495.

Westlake Baptist Hosts Missionary

Sunday, June 2, at the 7 p. m. Evening Gospel Hour at the Westside Baptist Church, which meets in the auditorium of the Southwood School, Southwood drive and Hill streets in South San Francisco, Dr. Dennis Carlson, M. D., missionary to Ethiopia, will be the featured speaker of the evening.

This will be the last opportunity for those in this area to hear the Carlsons, as they are returning to their field of labor in Ethiopia in August of this year.

After the program this evening, the Women's Missionary Society will serve as hostesses for a fellowship time, at which light refreshments will be served, and those present can get better acquainted with these fine missionaries.

The three Conference Youth Fellowship groups meet at 6:15 p.m. Jet Cadets is the program for the junior age boys and girls, and then the Junior High and Senior High groups meet with their counsellors, separately.

Sunday morning, June 2, will be the closing Sunday of the current Higher Goals program, which has been promoted in the Sunday Church School of the Westside Baptist Church.

"Salvation by Grace," is the theme chosen by A. David Donnelly, pastor, for his Morning Worship Hour message. This service begins at 11 a.m. At this service there will be special music, and then a nursery is provided for babies and toddlers.

At the close of this Morning Worship Hour, the ordinance of the Lord's Supper will be observed, with the right hand of church fellowship being given to several new members, recently approved for membership by the church.

Wednesday evening, May 29, at 7:45 o'clock, the regular mid-week Prayer and Bible Study Hour, will be held at the Bruce Hanson home, 436 Valverde drive in South San Francisco.

Bar Mitzvah For Howard Bronstein

Howard Bronstein, son of Mr. and Mrs. Sidney Bronstein of Westlake, will celebrate his Bar Mitzvah at Temple Judea Sabbath Evening Services this coming Friday evening, May 31, at 8:30 o'clock.

Services will be held at the Hall of Flowers, Ninth Avenue and Lincoln Way, (Golden Gate Park), San Francisco.

Rabbit Herbert Morris and Cantor Harold Wachter will officiate.

Mr. and Mrs. Sidney Bronstein, parents of the Bar Mitzvah boy, will host the Oneg Shabbat (social) following the ceremony..

Religious School

Children not presently enrolled in Temple Judea Religious School (from the age of 3 years and 9 months and up through Confirmation) may now be registered for enrollment in fall classes. The classes commence in September.

Parents who desire to enter children in Temple Judea Religious School are urged to contact the Temple Office, PL 5-6362, at 95 South Mayfair Avenue, in Westlake — any weekday from 9 a.m. to 5 p.m.

Membership in Temple Judea includes Sunday School for children, as well as weekday afternoon Hebrew School classes, and private training for Bar and Bas Mitzvah.

Our Redeemer's Lutheran Church Plans Family Picnic

Our Redeemer's Lutheran Church and Sunday School family picnic will be held on Memorial Day, May 30, 1 p.m. at Blackberry Farm in Cupertino. Games and events are scheduled for the children and adults. Softball and swimming will be the most popular sports events. The Brotherhood, the men's organization of the church, will direct the play activities.

Each family should bring sufficient food to share potluck style, and their own eating utensils. Coffee and lemonade will be furnished.

Blackberry Farms is a private park, located near Cupertino. Drive to Cupertino and follow the Blackberry Farm signs..

Reservations can be made through the church office or members of the Church Council. The special low cost of 80 cents for adults and 50 cents for children can be paid at the park entrance also.

Oceana PTA Meeting Is Huge Success

The last Oceana PTA meeting for this term was a huge success. Held on May 9, the Oceana High School sewing class put on a fashion show with fashions the girls had sewn during the past school year.

Some of the fashions were modeled by the girls, some by their sisters, cousins and even one of the mothers.

The hostesses were dressed in beatnik fashions with leotards, bulky sweaters and heavy eye make-up. The cooking class made some delicious desserts which were served by the students after the meeting.

Some very beautiful art work was on display for the enjoyment of the audience.

Other than spotlights on the models, the only lighting was done by candles placed in different points in the room.

The programs were made in the shape of painting pallets and were decorated with pieces of material to resemble paint, with a needle-shaped paint brush made of colored paper attached.

Miss Van Demark, sewing teacher, was given a big hand for the wonderful work the girls had done under her supervision. More than 100 mothers, fathers and other relatives attended the show.

The business meeting, which was conducted by vice president Nita Buchanan for President Minnie Mirabelli, who was attending the state convention in Los Angeles, followed the show and the proposed budget for 1963-64 was approved by the unit.

Jeff Grad Elected To Class Office

Linda Mayer of Daly City has been elected Social Commissioner of the Student Council at California Western University, San Diego, for the 1963-64 school year.

She is the daughter of Mr. and Mrs. Joseph Kusber, 60 Werner Avenue, Daly City.

A sophomore international relations student at the University, Miss Mayer has also been vice president of Alpha Residence Hall, a member of the sophomore class Social Committee and active in Project Amigas.

She is a graduate of Jefferson High School where she won the Fine Arts Award, was a Song Girl and on the Pep Rally squad.

TROOP 84, pictured above, are Boy Scouts sponsored by the Churchmen of the Broadmoor Presbyterian Church at 377 87th street. The troop recently conducted a house-to-house sale of light bulbs to secure funds to attend summer Scout camp. In back are Bob Plant, holding box; Paul Crim, Bruce Tracy, Mike McBride and Brian Mattson. The scoutmaster is Frank Garretson, and Bob McBride is the other assistant. Troop committee chairman Bill Sowl was chairman for the light bulb sale in which 30 boys and 12 dads participated. This active troop recently held two overnight camping outings in Marin County and will hold a Court of Honor on June 6 at which more than 100 achievement awards will be given.

Vista Mar School News

Vista Mar 5th grades were host and hostess to a class from the School For Cerebral Palsied Children. Sharing a science unit on the senses were Mrs. Peggy Christgau's, Mrs. Frances Lanthier's and Mrs. Angeline Friedman's fifth grades.

The children from the visiting school came to share because Vista Mar has been educating, on a daily part time basis, four pupils from the School For Cerebral Palsied. Three of these boys: Ted Nestor, Lon Manning, and Rusty DeBolt are in the 5th grades and Mark Ace is in the 3rd grade with teacher Miss Peggy Dwyer.

Dr. Morris Jones, principal of the visiting school, Mrs. Florence Moore, teacher, and graduate students Bill Duff and Stanley Crouch accompanied the children.

The students visiting were: Jesse Robinson, who illustrated outstanding drawings of the unit on sense, Jerry Wherly who explained the drawings, Jack Keck, and Vince Paderes.

Following the shared experience the visiting group were served refreshments by student representatives Paul Reynolds, John Capinaris, Laura Pacitti, Chris Torlakson, and Steve Kadleick.

Jack Danielson, Director of Guidance and Personnel, and Marjorie Tobias, principal, were also present to welcome the visitors.

Baseball fever has spread to Vista Mar, academically. The fourth grade class from Room 11 has organized their own teams. Miss Carolyn Dennis, a student teacher with Mrs. Jeane Oberlander, has initiated a new means of enrichment in spelling, based upon the rules of baseball.

The class chose teams and captains. The teams answer to the names of "Falcons" and "Sharks." Kary Mitchell and Brad McKenzie are the captains, respectively.

There are many comparable terms in this spelling baseball that relates to the real sport of baseball. Scorekeeper, bases, runs, and an umpire, are all inclusive. Words are selected from the dictionary to add to the challenge. As the player is chosen he must write the word, spell it to the class and then he can proceed to a base.

Best of luck to the "Falcons" and "Sharks" for the rest of the season. As a motivational device interest and competition runs high.

Thomas Edison PTA Installs Officers

At their last regular meeting, the newly elected officers for the Thomas Edison PTA were installed by Mrs. Robert Woodworth, chairman.

The officers for the ensuing term are: president, Mrs. Robert Hansen; honorary vice president, Mr. Harry Aronson, principal; vice president, Mrs. Galvin Matthews; corresponding secretary, Mrs. Edward Jose; recording secretary, Mrs. William Kern; treasurer, Mrs. James Wyatt; financial secretary, Mrs. R. Heyer; historian, Mrs. William Adami; auditor, Mr. Edward Jose; parliamentarian, Mrs. G. Thompson.

After a brief business meeting, the unit was entertained by the "Calico Cats," a square dance group in Daly City.

After displaying several dances, the group encouraged audience participation which was enjoyed by everyone.

Refreshments were served by Mrss Vernon Okerstrom and her committee.

Mrs. Hergert's 4th grade class won the "cookie jar" for the most parents attending the April meeting.

Visits A. Lincoln

On Friday, May 10, an Air Force lieutenant from Hamilton Air Force Base, entertained as well as informed the Fourth Grade Class of Mrs. Esther Turcott, Abraham Lincoln Elementary School. Lieutenant James Chamberlain, native Californian, attended the class with his young friend Joseph Van Zant of Daly City, to speak and to answer questions posed by the Fourth Graders in connection with their Social Studies Unit on air travel.

The lieutenant outlined the importance of air defense and the Air Force methods of tracking planes. He vividly explained the life of the men in the Air Force and the physical and educational requirements which must be fulfilled for entrance into that branch of the service.

In speaking of the proficiency of the pilots of the Blue Angels, Lieut. Chamberlain described the work of four of the Angels' pilots who are sent all over the world to demonstrate flying skills. His informal lecture concluded with the showing of films of Air Force planes, including an exciting film of the Blue Angels.

Vote 'Yes' for Roads

San Mateo County voters will go to the polls on Tuesday, June 4, to cast their ballots on the proposed $35,000,000 bond issue for roads.

If approved by the voters, the first step in providing adequate east-west arterial highways will begin. For the Daly City area this will be two vital roads. It will help relieve the congestion which grows worse daily, and may have a positive effect on industrial development in the county.

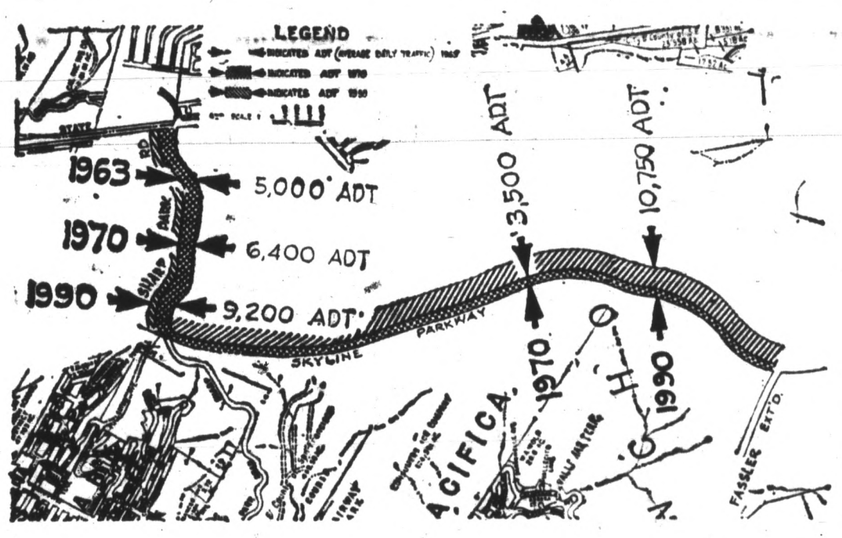
The reason for the bond issue is simple—present funds are not sufficient to carry out necessary road building and maintenance, and if San Mateo County is not to be choked in traffic, more arterial roads must be built.

The plan devised for the east-west laterals is county wide, designed to serve the county regardless of city boundaries. Adequate access from populated areas to the main north-south freeways cuts across city limits, and only a county-wide plan is feasible.

The cost per family is negligible . . . about 44 cents per month. This is less than the gasoline wasted weekly by most families trying to get access to the main roads.

Passage of the bond issue on June 4 will give San Mateo County a big jump on its traffic problem. It may result in additional industrial tax base that can speed up building through regular road funds.

The Times and Record urge a "Yes" vote for the Highway Bonds on June 4.



NEW ROADS TO PACIFICA that will be provided by the City-County Highway Plan include the creation of Skyline Parkway from Sharp Park road to Fassler avenue, and the widening of Sharp Park road between Skyline Parkway and Skyline boulevard. Sharp Park will become a four-lane divided street. The new parkway will be constructed as a two-lane street in stage one, but additional right-of-way will be acquired along the 2.3 mile strip to enable the roadway to be widened to four lanes in the future. The two projects alone account for nearly two million of the $35,000,000 required to finance stage one of the highway plan. The road bonds will be up for voter approval at special elections scheduled for June 4.

Pothier Recieves Air Force Award

Numerous awards in recognition of leadership and academic achievements were presented to University of Cincinnati Army and Air Force Reserve Officers' Training Corps cadets at their annual President's Review in the campus Armory-Fieldhouse.

The traditional military program is in honor of Dr. Walter C. Langsam, president of the university. Joining him in presenting awards were military and civic dignitaries, including a number of Air Force and Army generals.

The Air Force Association awarded the silver medal to John L. Pothier, 150 Coronado avenue, Daly City.

Delay Can Cost Disability Benefits

Delay in applying to his social security office can cost a disabled worker his right to social security disability benefits, Mrs. Mercia Leton Kahn, District Manager of the San Francisco (Mission) Social Security Office pointed out today.

She urged any person who is unable to work because of a severe disability to get in touch with his nearest social security office for information as to his rights under the social security disability program.

Under the disability provisions of the Social Security Act, cash monthly benefits are payable to disabled workers under 65 and to certain of their dependents. To qualify for payments, the worker must have social security credit for at least five years' work under social security out of the past ten years and his disability must be so severe that it will keep him from doing any substantial gainful work for a long and indefinite period.. If you feel that you may meet these requirements and you desire further information, get in touch with the San Francisco (Mission) social security office located at 761 South Van Ness Avenue, telephone MIssion 7-9722.

The View From ...Behind the Badge

Written and Edited by Daly City Police Department

The School . . .

At Thomas Edison School in Daly City there is a "B" section kindergarten class which is taught by Mrs. Hillman. The small children and their teacher are learning about something they call "community helpers." Policemen are considered to be community helpers.

Two policemen are invited to visit the class and to answer any questions which the youngsters might have. On the appointed day, the officers arrive at kindergarten.

The Visit . . .

For some reason they are nervous. They are not shy—they have withstood many a cross examination in the courts, and they interview people every day, and sometimes they are able to help them and sometimes they have to lock them up.

And it is not that they are unfamiliar with children. Between them, the two officers claim seven children. In their work, youngsters are to a large extent their stock in trade. Anyway, for some reason they are nervous.

They knock on the classroom door and are admitted.

The Children . . .

The children are there, all right. They are shiny faced, and neat, and they look very innocent. They seem thrilled to see the officers. Fortunately, they are at a stage where authority is not the hateful thing that some higher educated people would have everyone believe.

The children, themselves, work and play under an authority. Mrs. Hillman has them go through their evolutions by using a quiet, cheerful, positive kind of suggestion sound in her voice. There is control in the class, though the officers do not observe one negative or oppressive thing about that control.

The Questions . . .

The children sit on a rug on the floor, and the officers are seated in the two adult sized chairs. The teacher uses a piano bench for a seat. With the teacher guiding the conversation, the children learn and question.

They are of an age when many believe that the teacher lives at school, and that the policeman lives at the station (not until we get another, newer, adequate facility, we hope!). The officers tell them that they have homes, and children in them. They try to convey a feeling of help and trust, rather than one of authority alone—and the authority is not what an unschooled person would believe, and certainly not what a child would believe, in any event.

It is hard to know if they are getting across, whether they are going over the students' heads, which is no good either.

The teacher pretty well keeps things on the right level most of the time, though, as the questions are asked and answered.

"What do you do when someone is speeding," asks a traffic oriented youngster. The officers mention that if the driver were speeding because of a medical emergency, they would help the people in the car to get to a doctor quickly and safely. Otherwise, the driver would probably have to get a "ticket" and later see the judge.

"Do you spend all your time at the police station?" No, we go home when we are not working, just like your father does.

"Do you catch robbers?" Yes.

"Are all policemen traffic policemen?" No. There are three kinds (a generality). There are the traffic policemen. There are detectives in plain clothes. There are patrol policemen, who are the most important, for they wear uniforms and drive marked autos, and they help to keep the neighborhoods and the streets safe night and day for the children and their families.

The Exit . . .

Time is up. The officers prepare to leave. The children cutely sing a "policeman" song to their guests. This was apparently taught them by Miss Hansen, a student teacher assigned to Mrs. Hillman. The children say goodbye.

The officers say goodbye, and they leave. The nervousness is gone. They had enjoyed themselves with the kids. They hoped that the kids had enjoyed this particular visit from representatives of what is called "community helpers." If they are fortunate enough to have made friends of some of these shiny faced kids, then they have gone away richer men than they were when they came.

Nunemaker Joins Navy Program

Charles E. Nunemaker III, son of Mr. and Mrs. Charles E. Nunemaker II, of 424 Belfast Street, Pacifica, is shown being congratulated by LCDR P. E. Ryan, Director of the Navy's Enlisted Programs Office, 6705 Mission Street, Daly City on his being approved for enlistment in the Navy's High School Graduate Training Program in the field of electronics.

Young Nunemaker has been very active in Terra Nova athletics and has received varsity letters in both football and wrestling. He will leave for the Naval Training Center, San Diego, California in June for recruit training and will be assigned to one of the Navy's class "A" Electronics schools upon graduation from the Training Center.

John S. Sokolik On Missile Destroyer

John S. Sokolik, seaman apprentice, USN, son of Mr. and Mrs. John J. Sokolik of 2 Mission Circle, Daly City, is part of the crew of the guided missile destroyer USS Tattnall, which was commissioned, April 13, at the Naval Base, Charleston, S.C.

The Tattnall is the fourth of the USS Berkeley class guided missile destroyers and is armed with Tartar anti-aircraft missiles and an ASROC anti-submarine system capable of homing long-range torpedoes or nuclear depth charges.

The Tattnall's mission will be operating in screen units for convoys and task forces, working with submarine hunter-killer groups and supporting amphibious operations. She will operate out of Charleston.

This newest guided missile destroyer is named in honor of the U.S. Navy and Confederate Navy Captain Josiah Tattnall.

AIRMAN THIRD CLASS Carl L. Lembke, son of Mr. and Mrs. William L. Lembke of 128 Westmoor avenue, Daly City, was recently named honor graduate from the United States Air Force engineer equipment mechanic course at Fort Belvoir, Va. Airman Lembke received a certificate of proficiency from the school and a letter of praise from his commanding officer. Lembke enlisted at the Air Force recruiting office at 6268 Mission street in Daly City in July, 1962, shortly after graduating from Westmoor High School. His new assignment is Gieger Air Force Base, Spokane.

Something for Everyone

By Samuel Chandler

Do you know that in the St. Francis Hotel in San Francisco you can change your dirty money for silver coins that have been washed clean; that nearly three quarters of a billion dollars in gold and silver found their way to Montgomery street; that the sky is blue over San Francisco 300 days a year; that Indians painted the ceilings of Mission Dolores? If you want to verify these facts and many more about San Francisco, look in a delightful picture book entitled, "This Is San Francisco," by M. Sasek.

It is a colorful book for children who can tear it away from adults. It is the ninth in a series that describes the notable cities of the world.

Moreover, it is one of the 1,057 books for children being added to the public libraries of Daly City. Among the others are "Long Knife," the story of the United States Cavalry on the 1860 frontier, by Glen Dines. "The World Awakes," the Renaissance in western Europe, by Polly Brooks and Nancy Walworth; "Christmas Comes Once More," stories and poems for the holiday season, selected by Mildred C. Luckhardt; "Animals in Science," by Margaret O. Hyde; "Jonathan and the Dragon," by Irwin Shapiro.

The latter is a golden reader in rhyme and pictures. It is a study in simplicity with an implied moral. Indeed, the moral is always implied in contemporary children's books.

Among the story books being added are "Sandro's Battle," by David S. Daniel; "To Each Her Dream," by Adeline McElfresh; "Sunny Jim, the Uppity Kitten," by Sally Scott; "Ribbon of Fire," by Allen Campbell McLean; "Light a Single Candle," by Beverly Butler, "A Time for Tenderness," by Betty Cavanna.

"Light a Single Candle" is a moving story about a girl who loses her sight at 14. It is full of heartaches and adjustments that nearly overpower a courageous girl until she learns to love a guide dog who gives her companionship as well as sight.

Books like these will enrich the children's collection in both branches of the Daly City public library.

℞
THAT EXTRA INGREDIENT

Every prescription written by your physician is a set of instructions to the pharmacist telling the exact amounts of the medicines he wishes you to have, the form they are to be in and the way they should be taken. It is our responsibility to carry out those instructions to the letter.

But, pharmacists always add an extra ingredient to every prescription. That is the special care in compounding it. We handle your prescription as if it was intended for a member of our own family, for you have entrusted us with your most precious possession . . . your health.

YOUR DOCTOR CAN PHONE US when you need a medicine. We will deliver promptly to Daly City, Westlake and St. Francis Heights without extra charge. A great many people entrust us with their prescriptions. May we compound yours?
